Dear Iris,

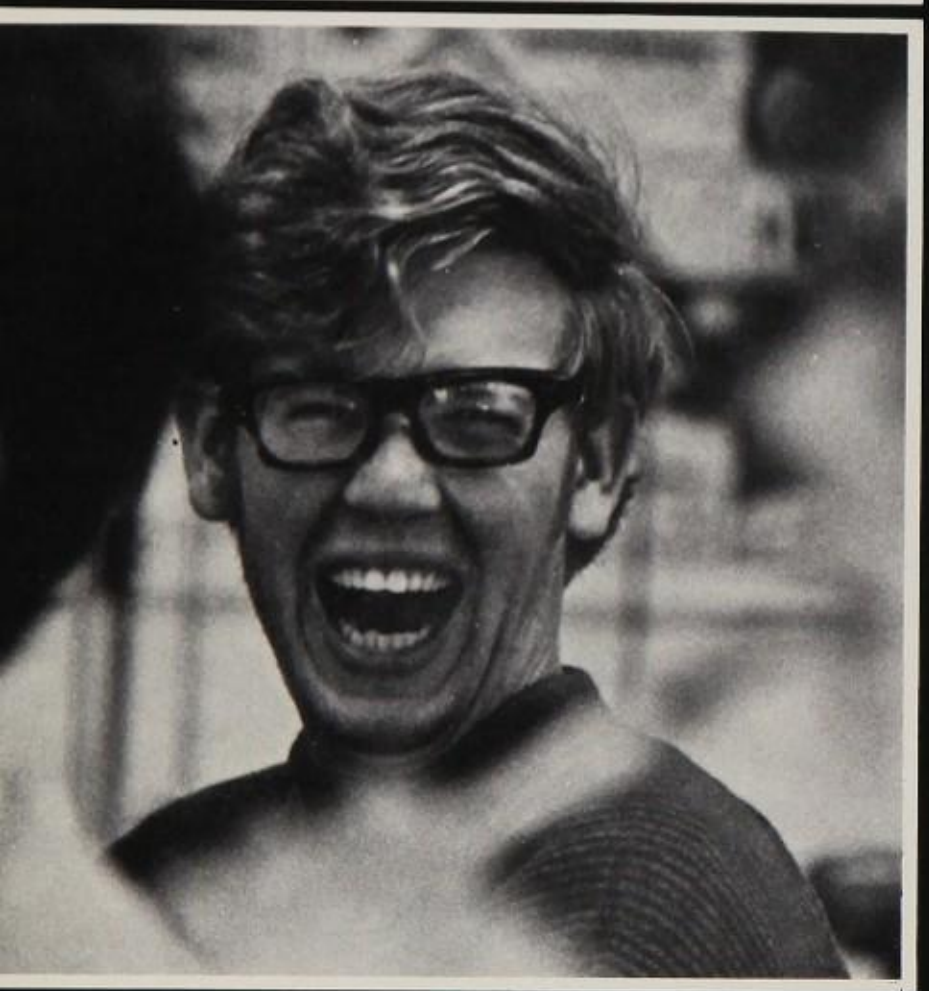
Congratulations on your graduation!

Love & Kisses,

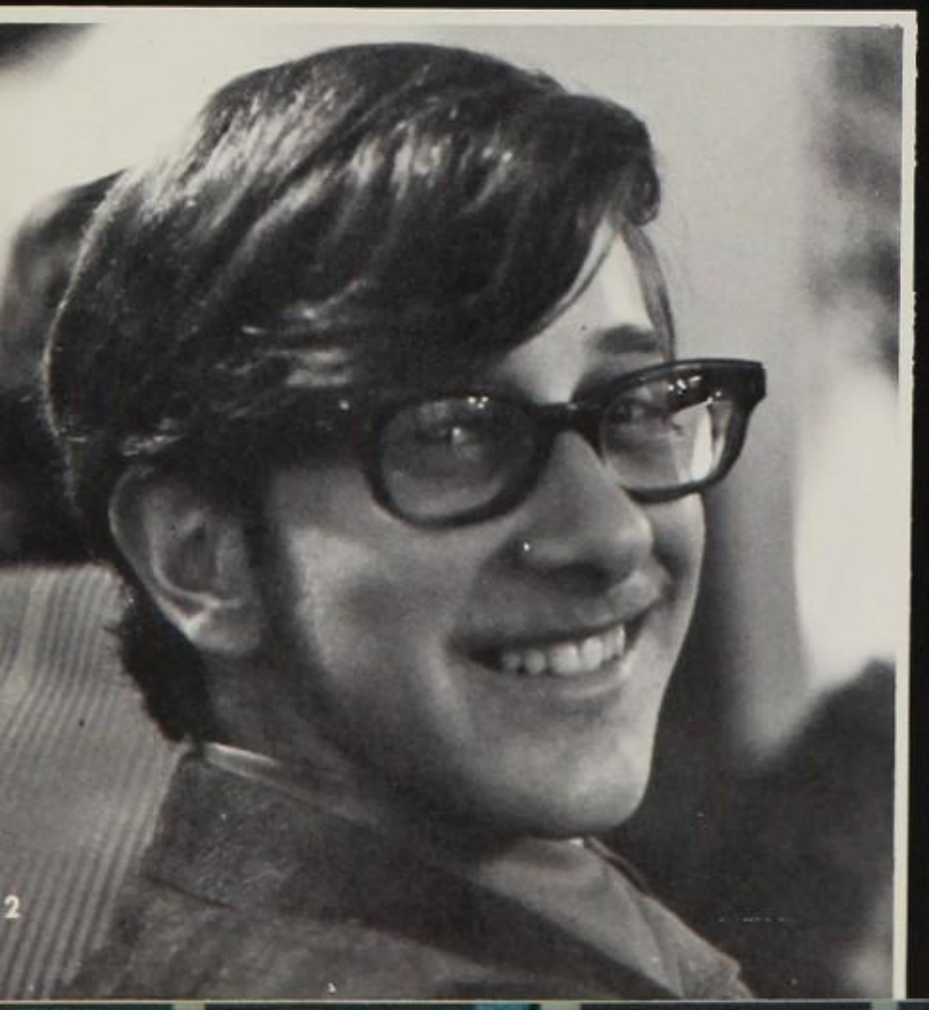
Valerie

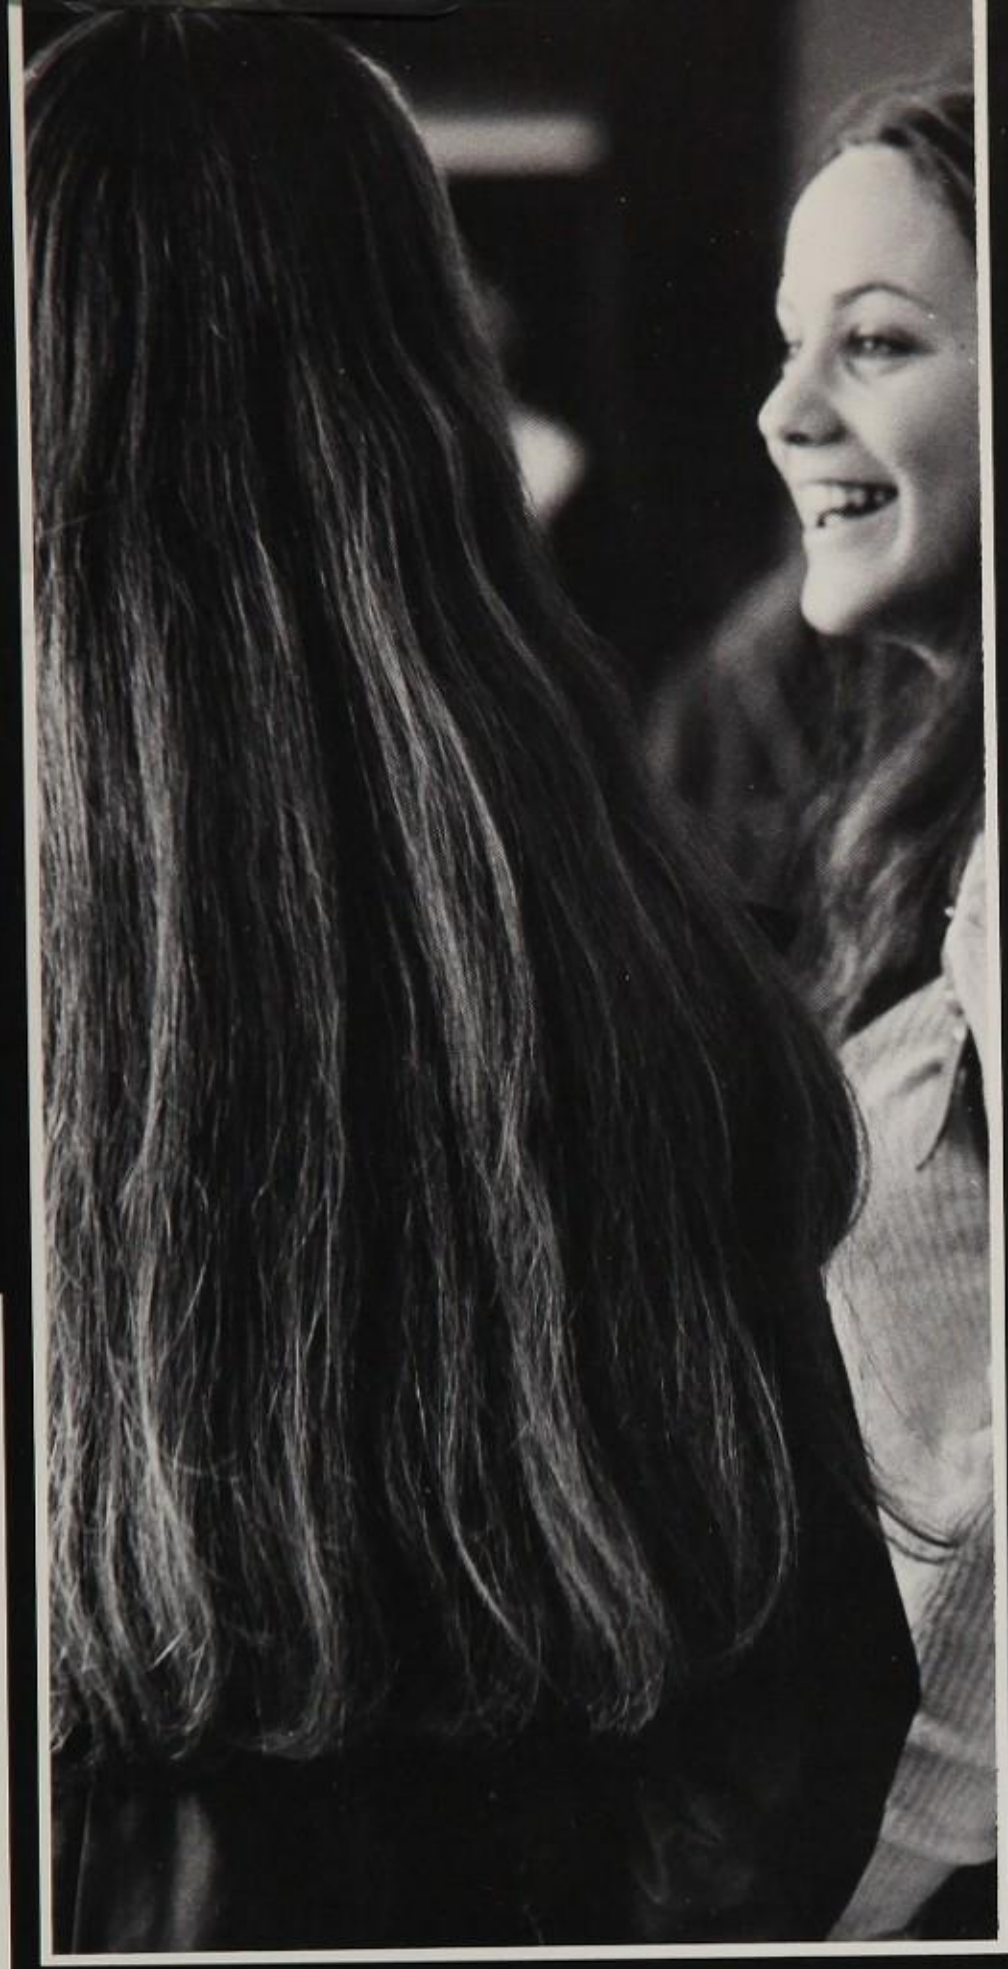
There is so much in
all you see . . .

ECHO '71 *Long Beach H S*



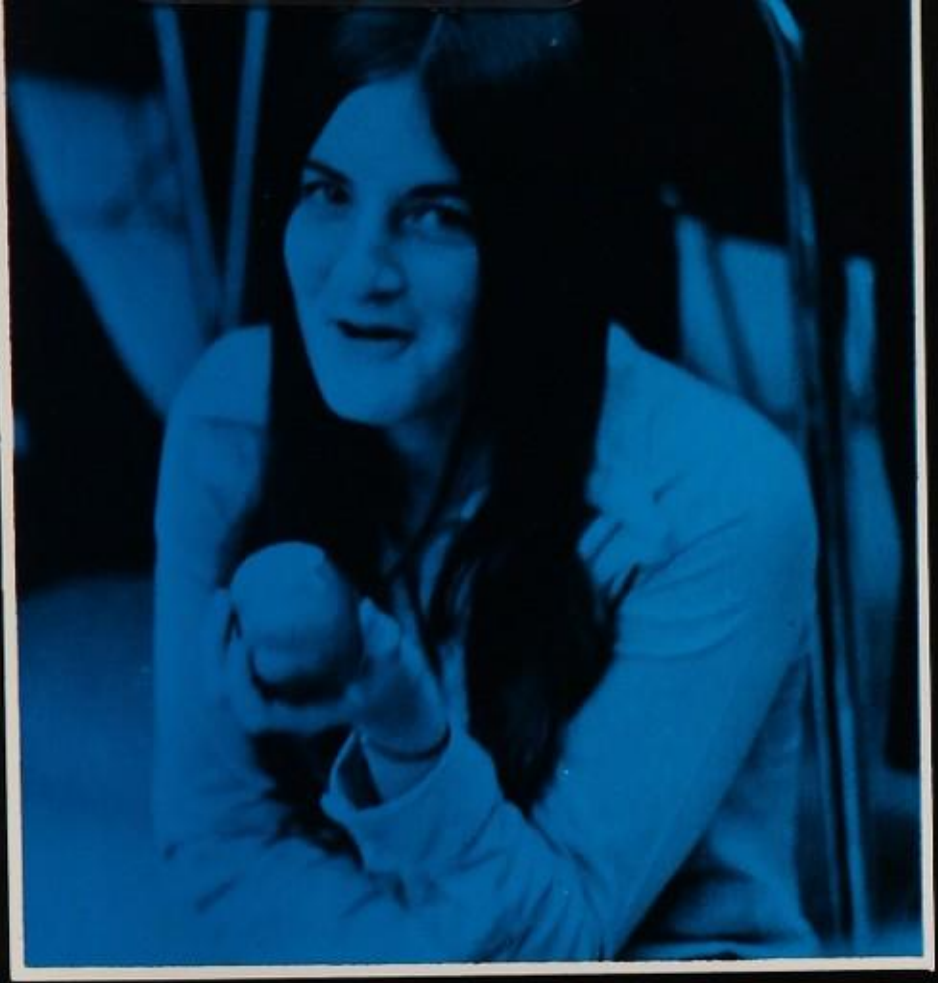
But it's only the beginning
and there will always be
sounds of laughter



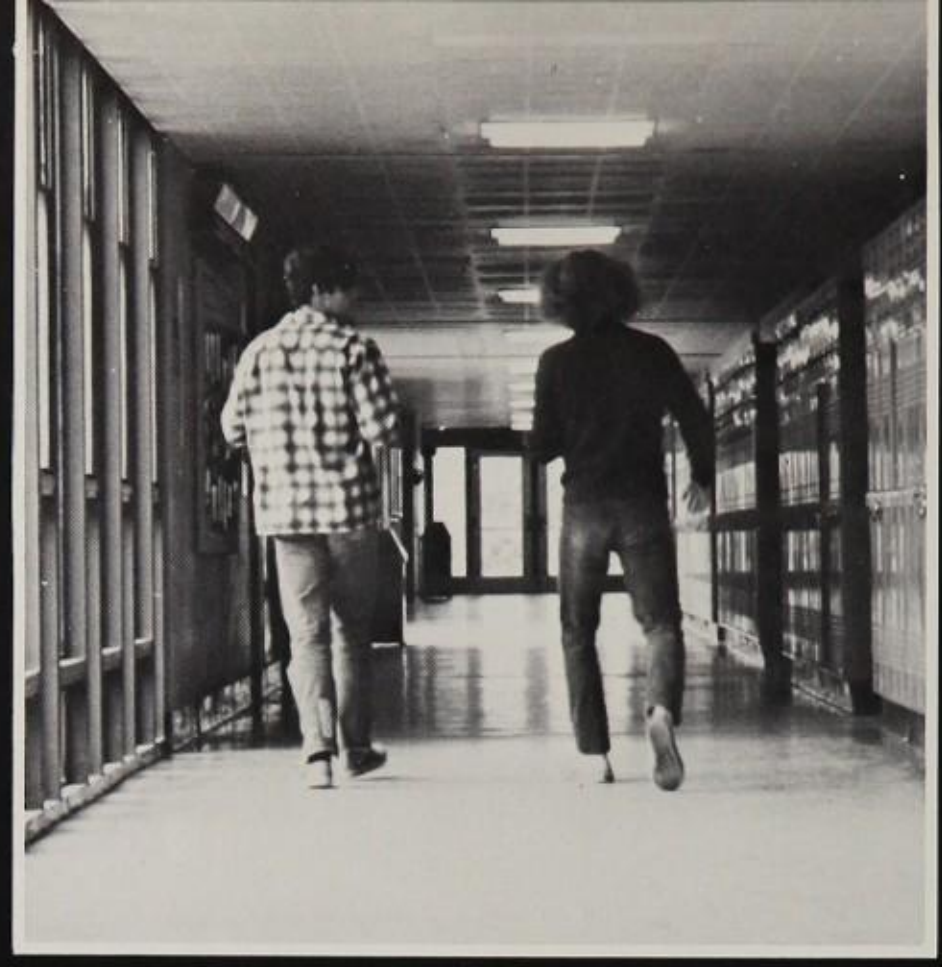


LONG BEACH
67-25
FOOTBALL

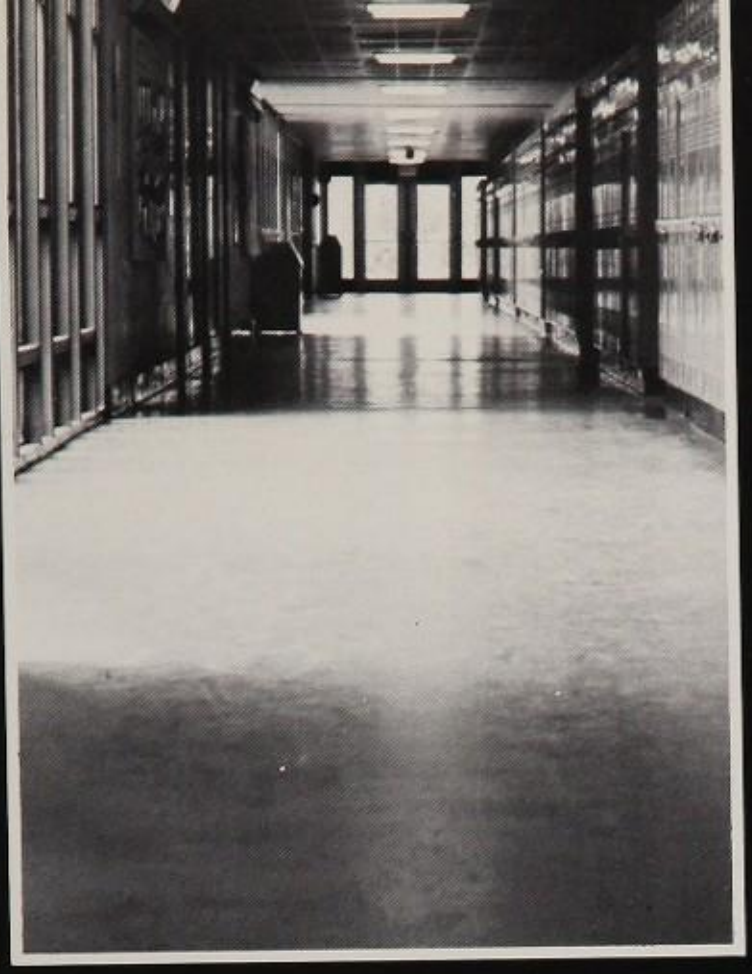
sterno



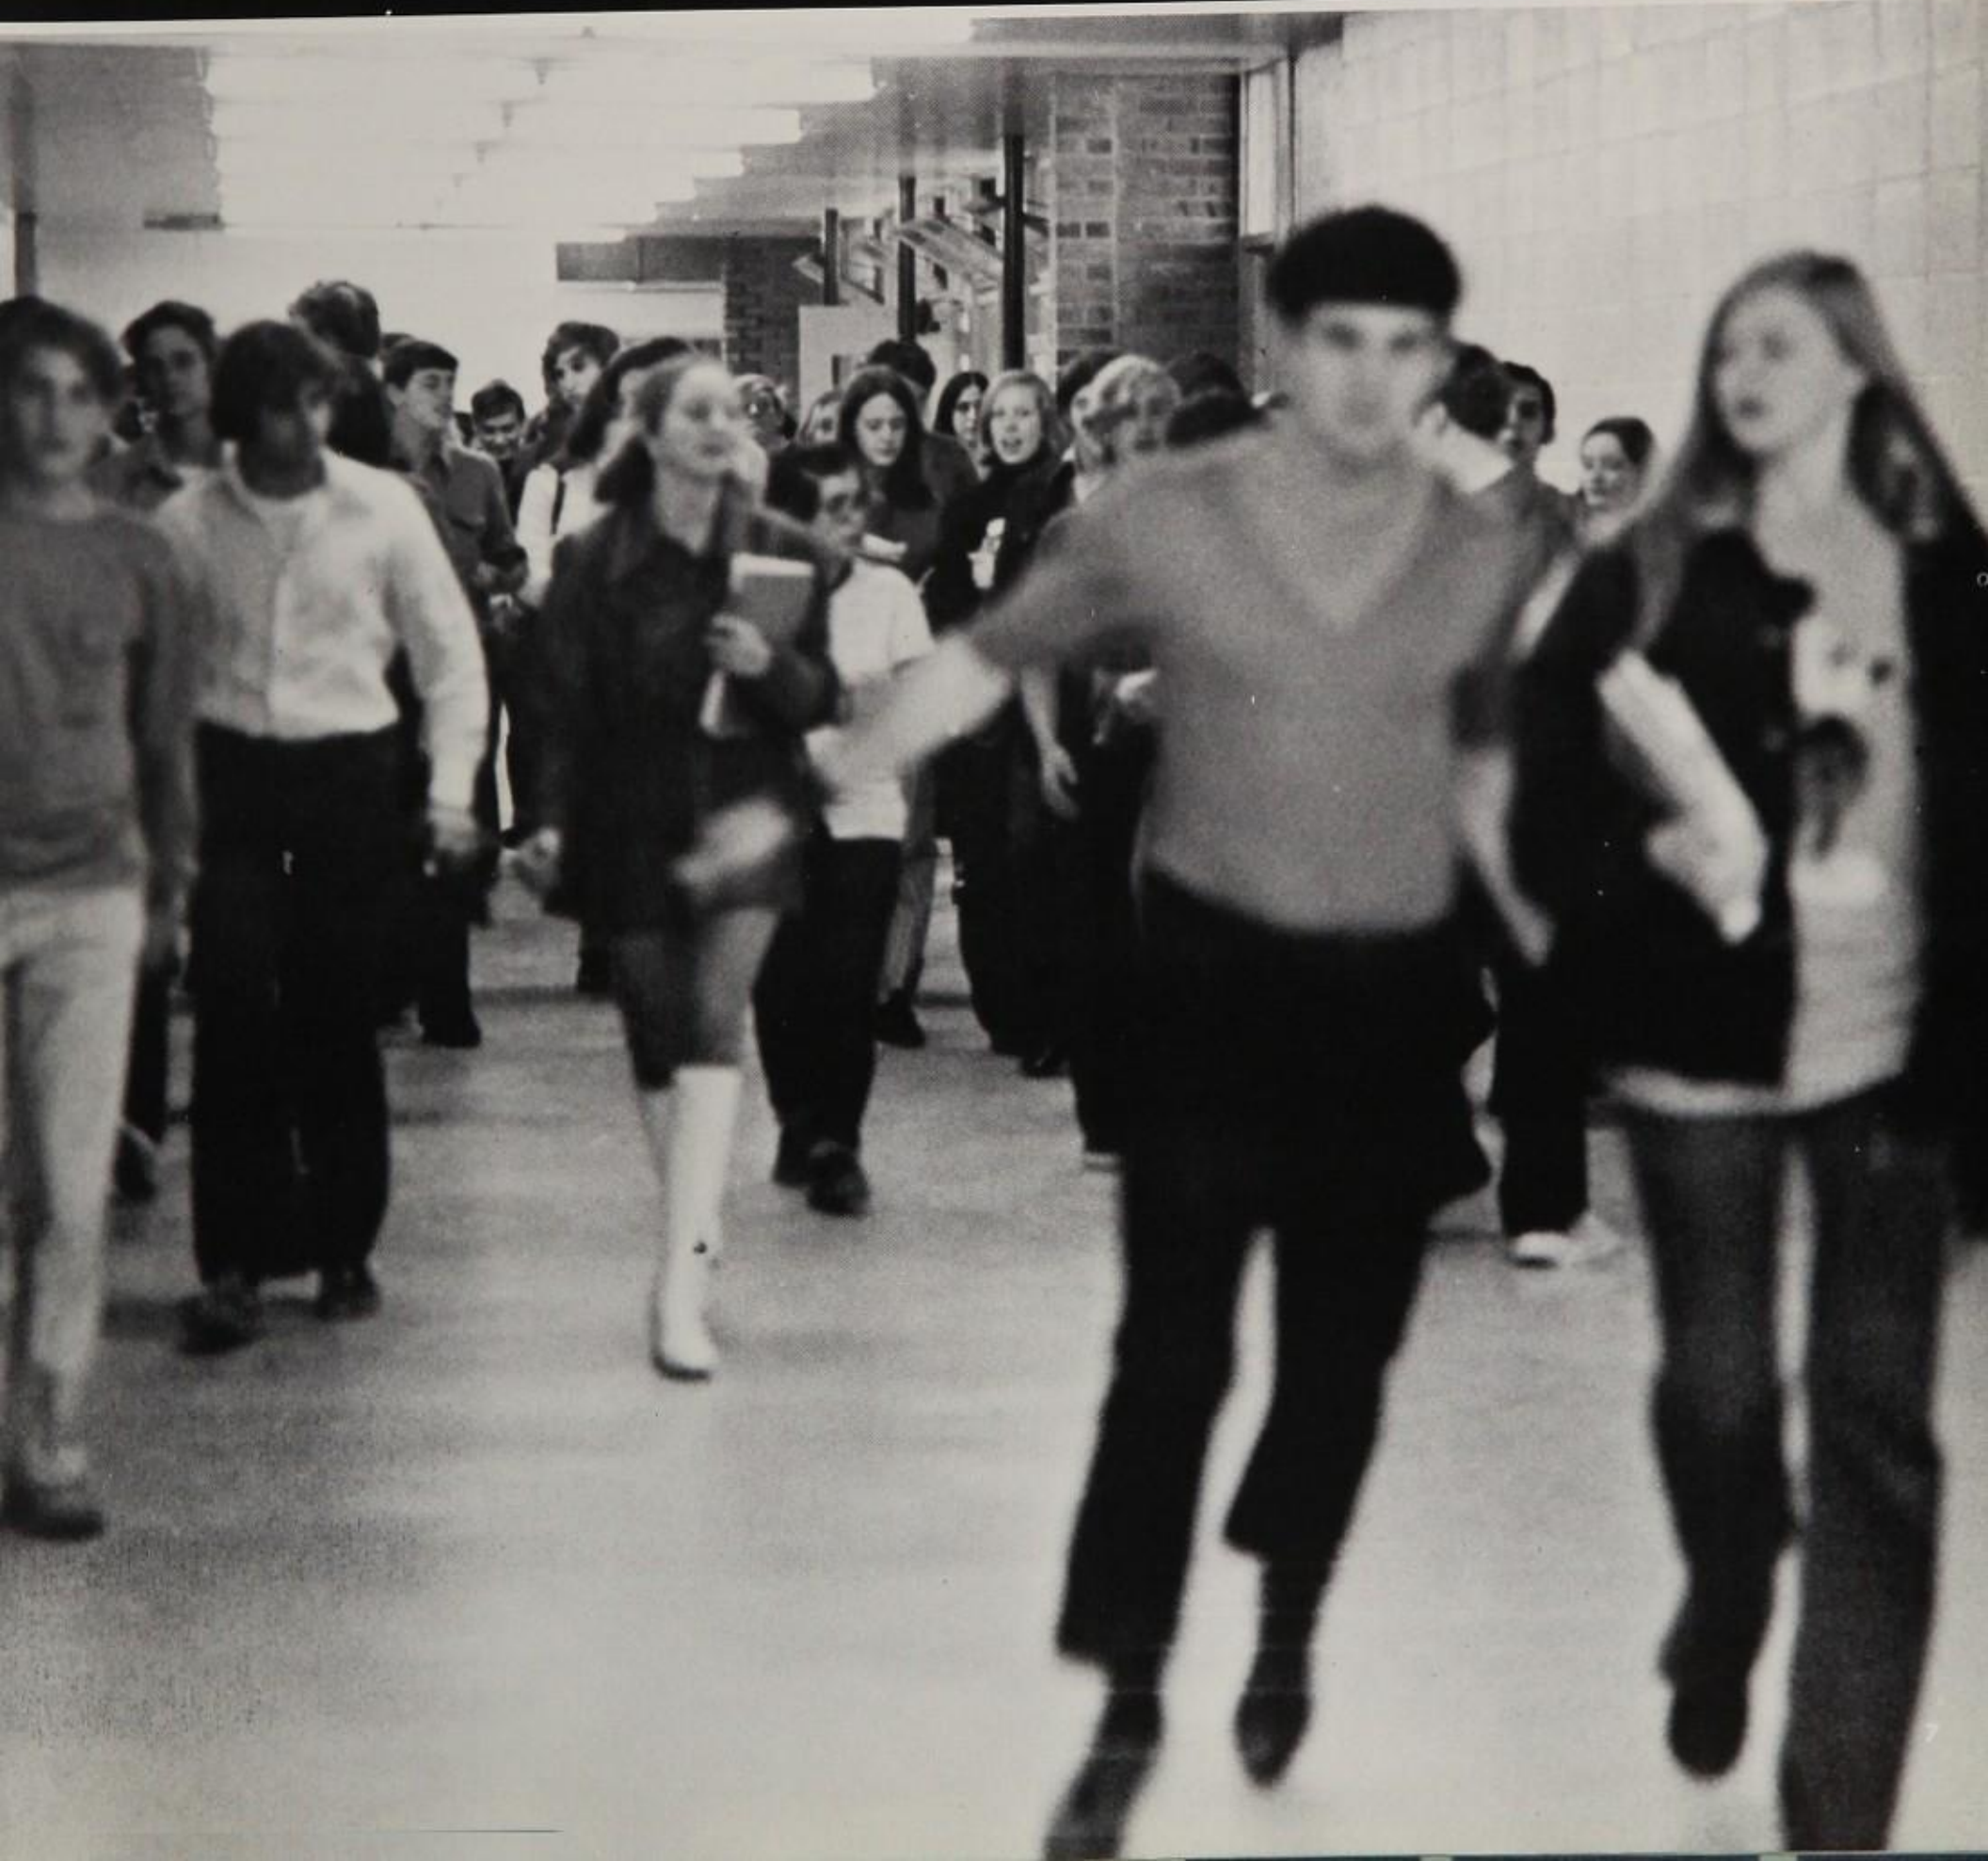
here comes
sunshine
smiling faces
all around —
they possess you,
bless you,
sunshine!



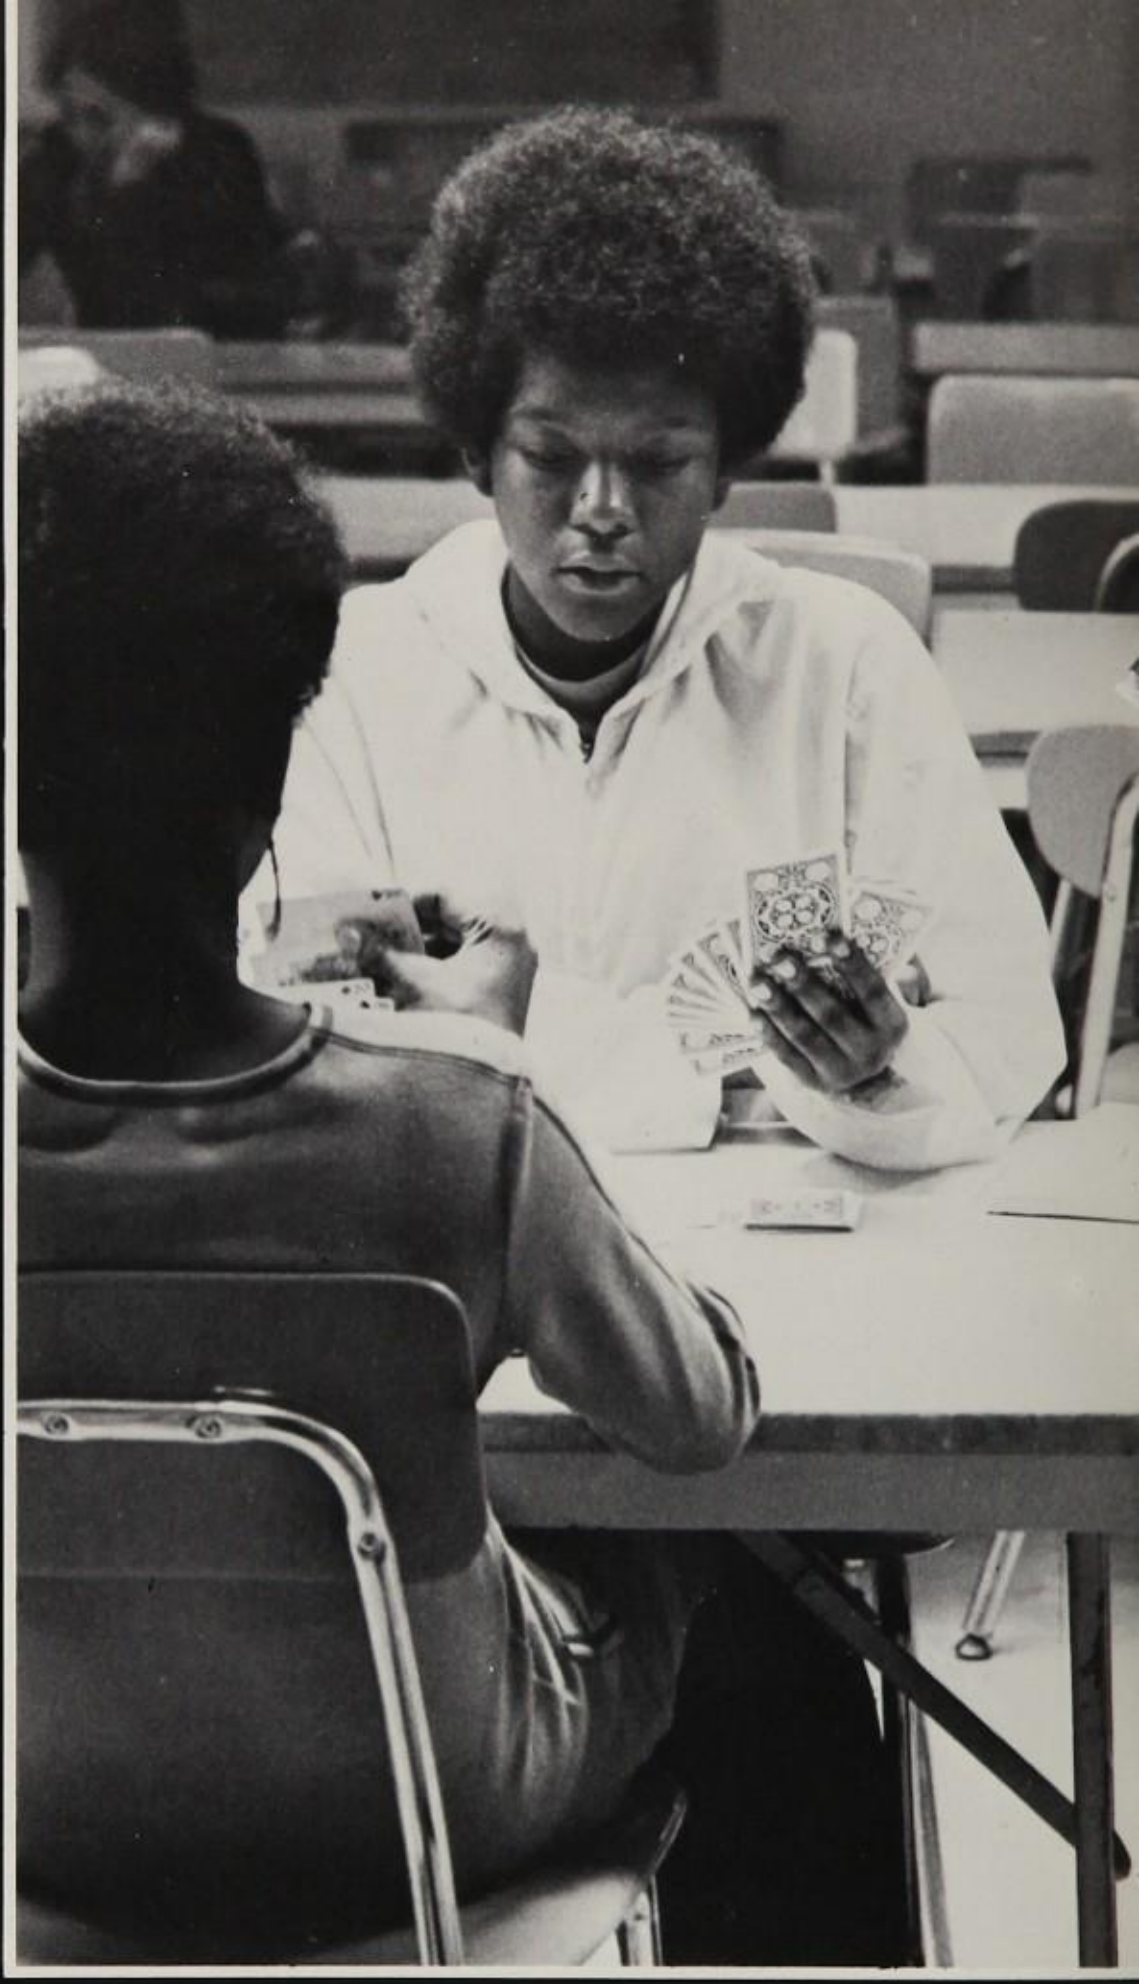
Hands beating,
running
A world of balloons
flying aimlessly past
looking for a way
out.



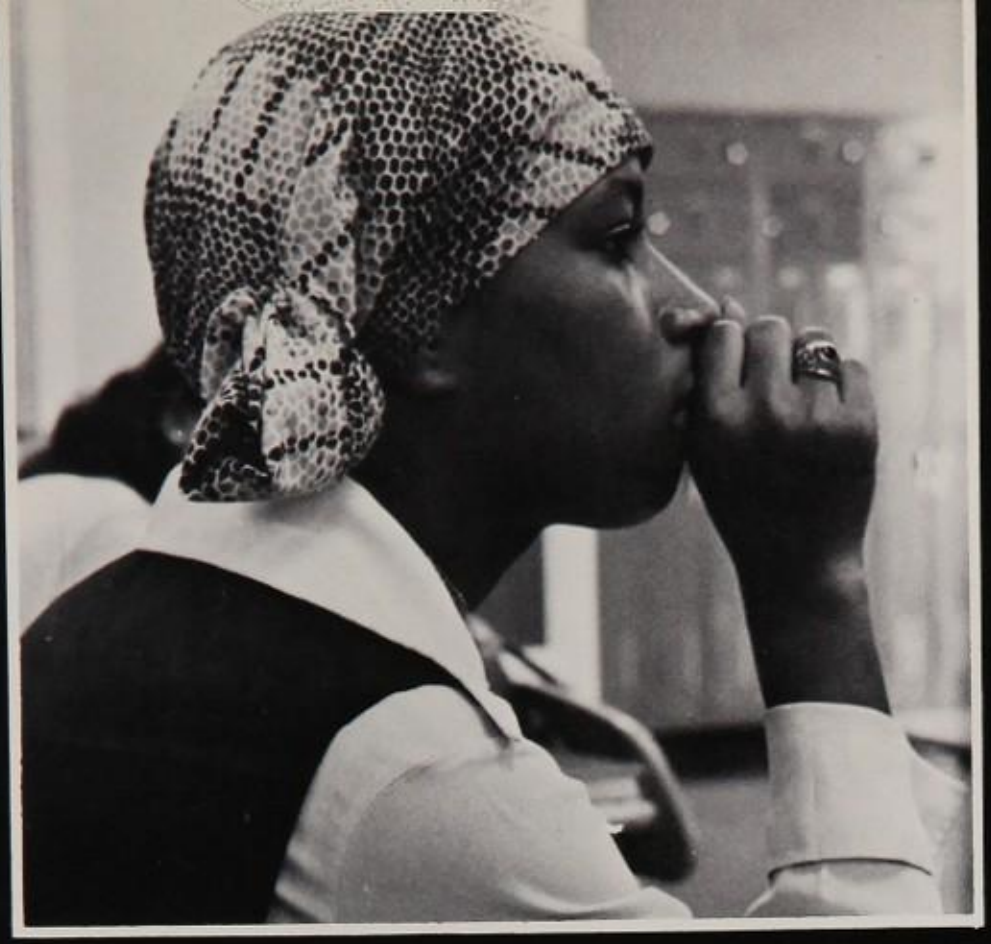
A door opens
a mad rush . . .
POP!



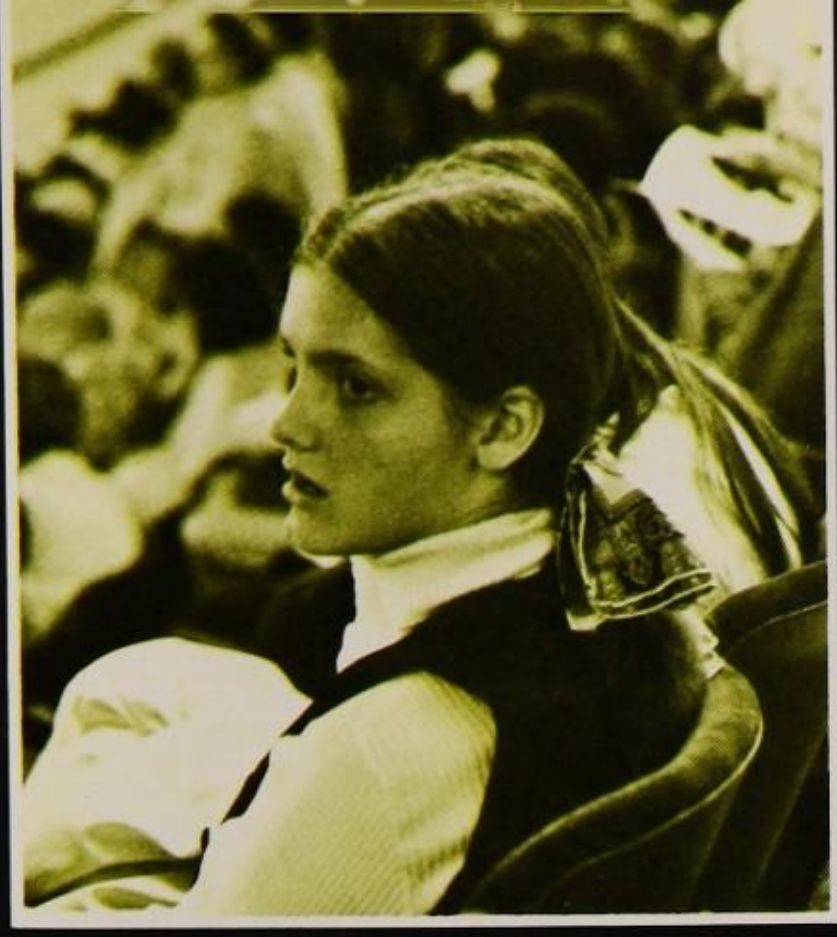
And when the evening
comes
we smile

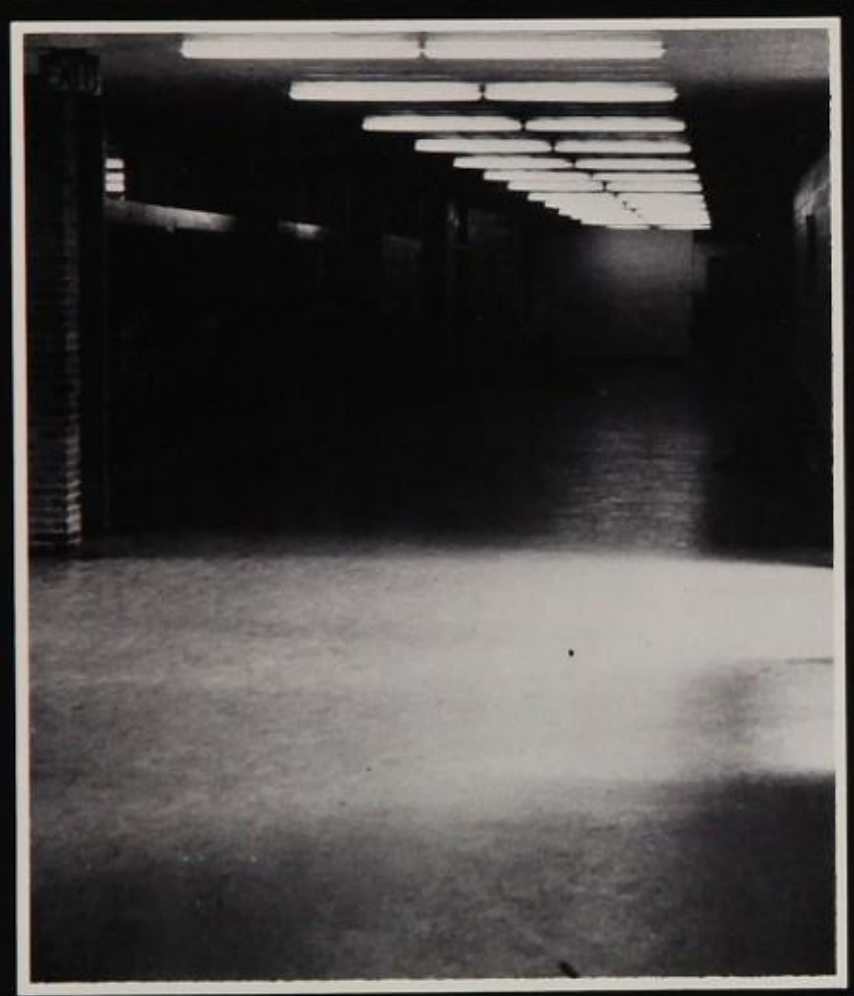


So much of life ahead.



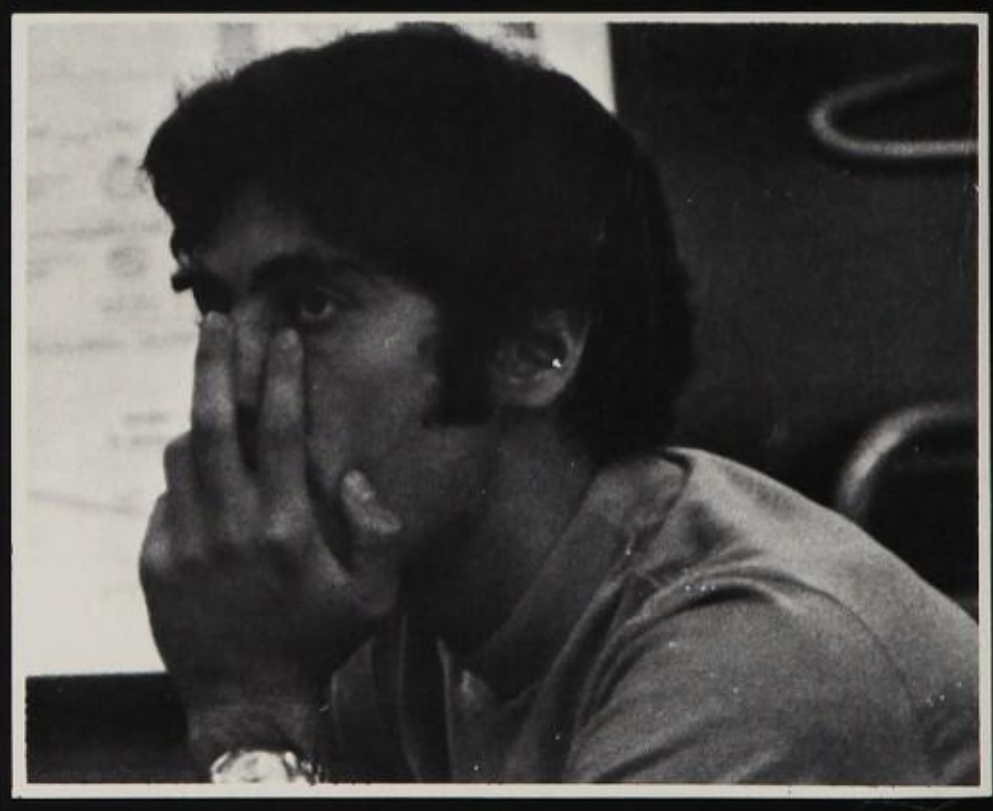
EXIT



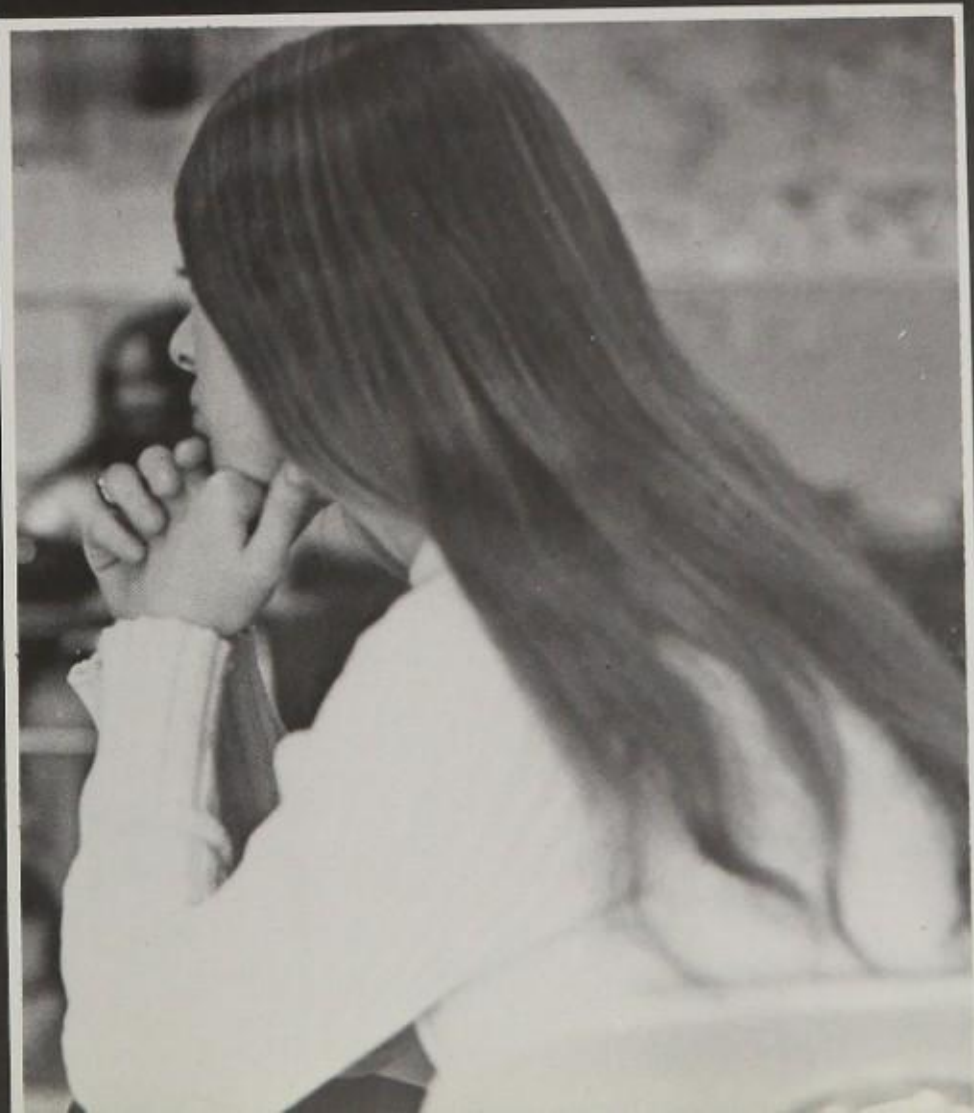


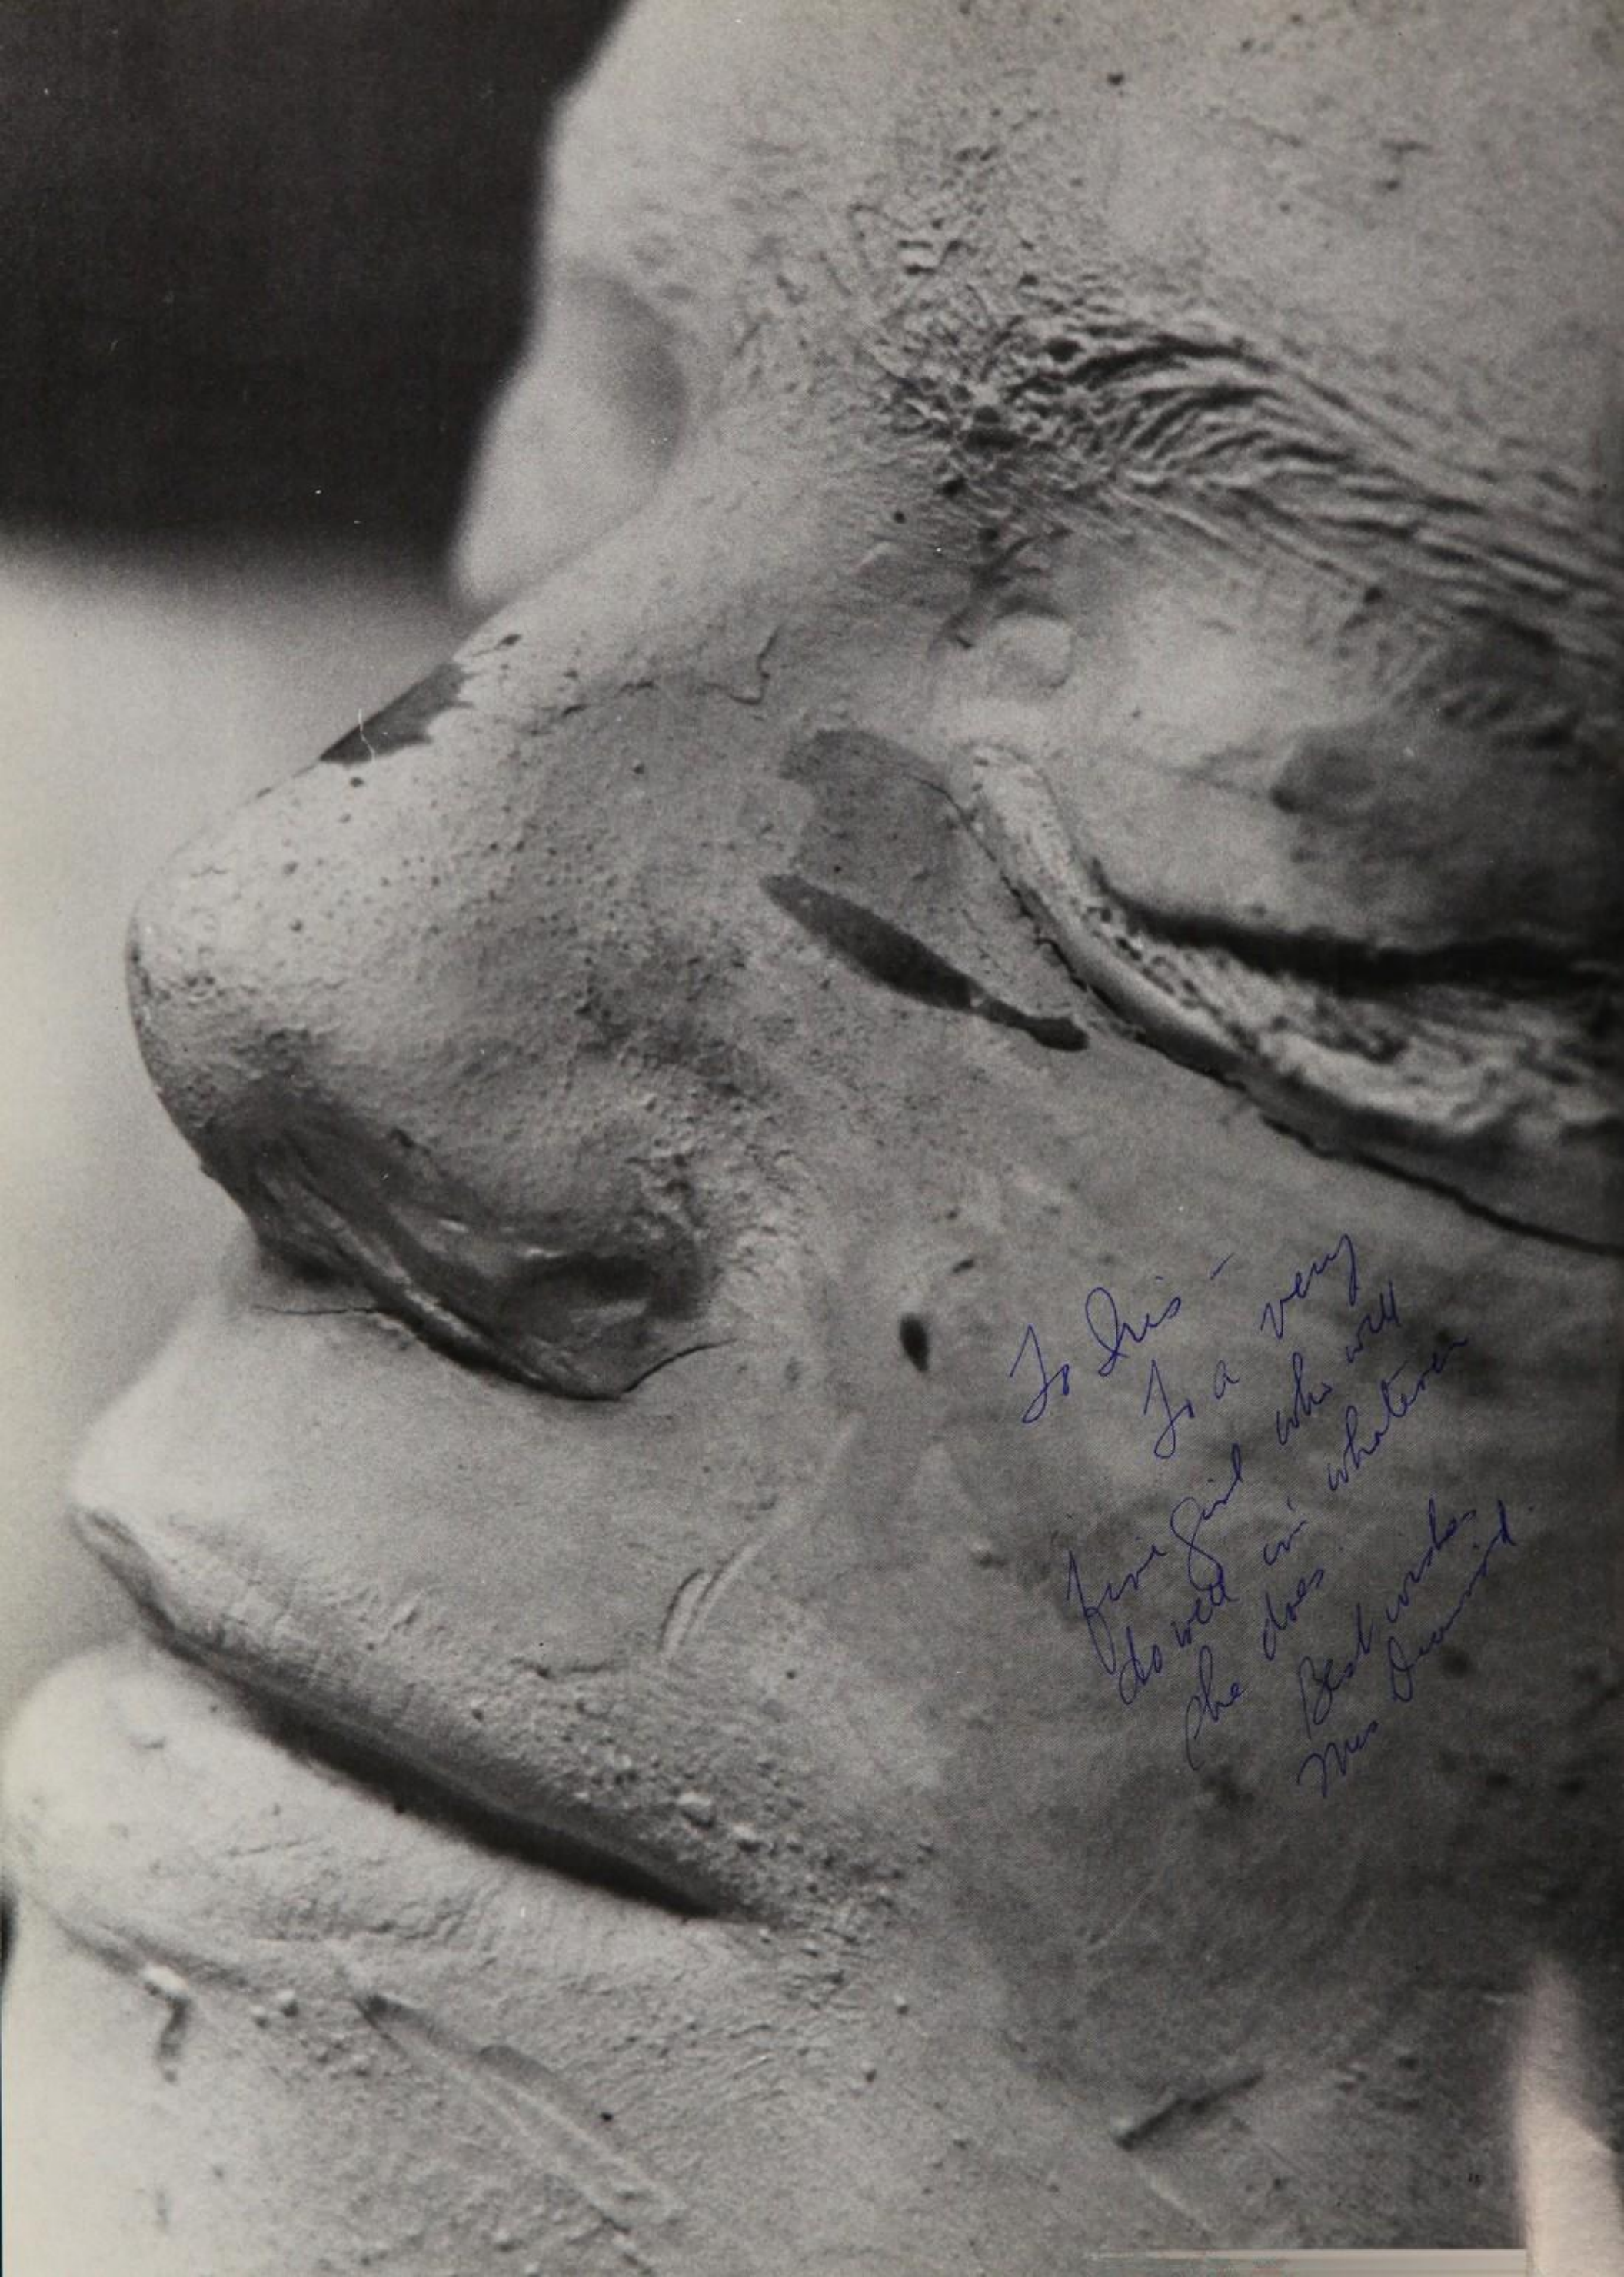
We'll find a place
where there's
room to grow.

Morning, morning
feel so lonesome in the morning . . .



So
I
continue
to
continue
to
pretend.





To Lois -
I'm a very
fussy girl who will
do well in
whatever
she does
Best wishes

the gentle voices I hear
explain only the sigh.

it is because he hears

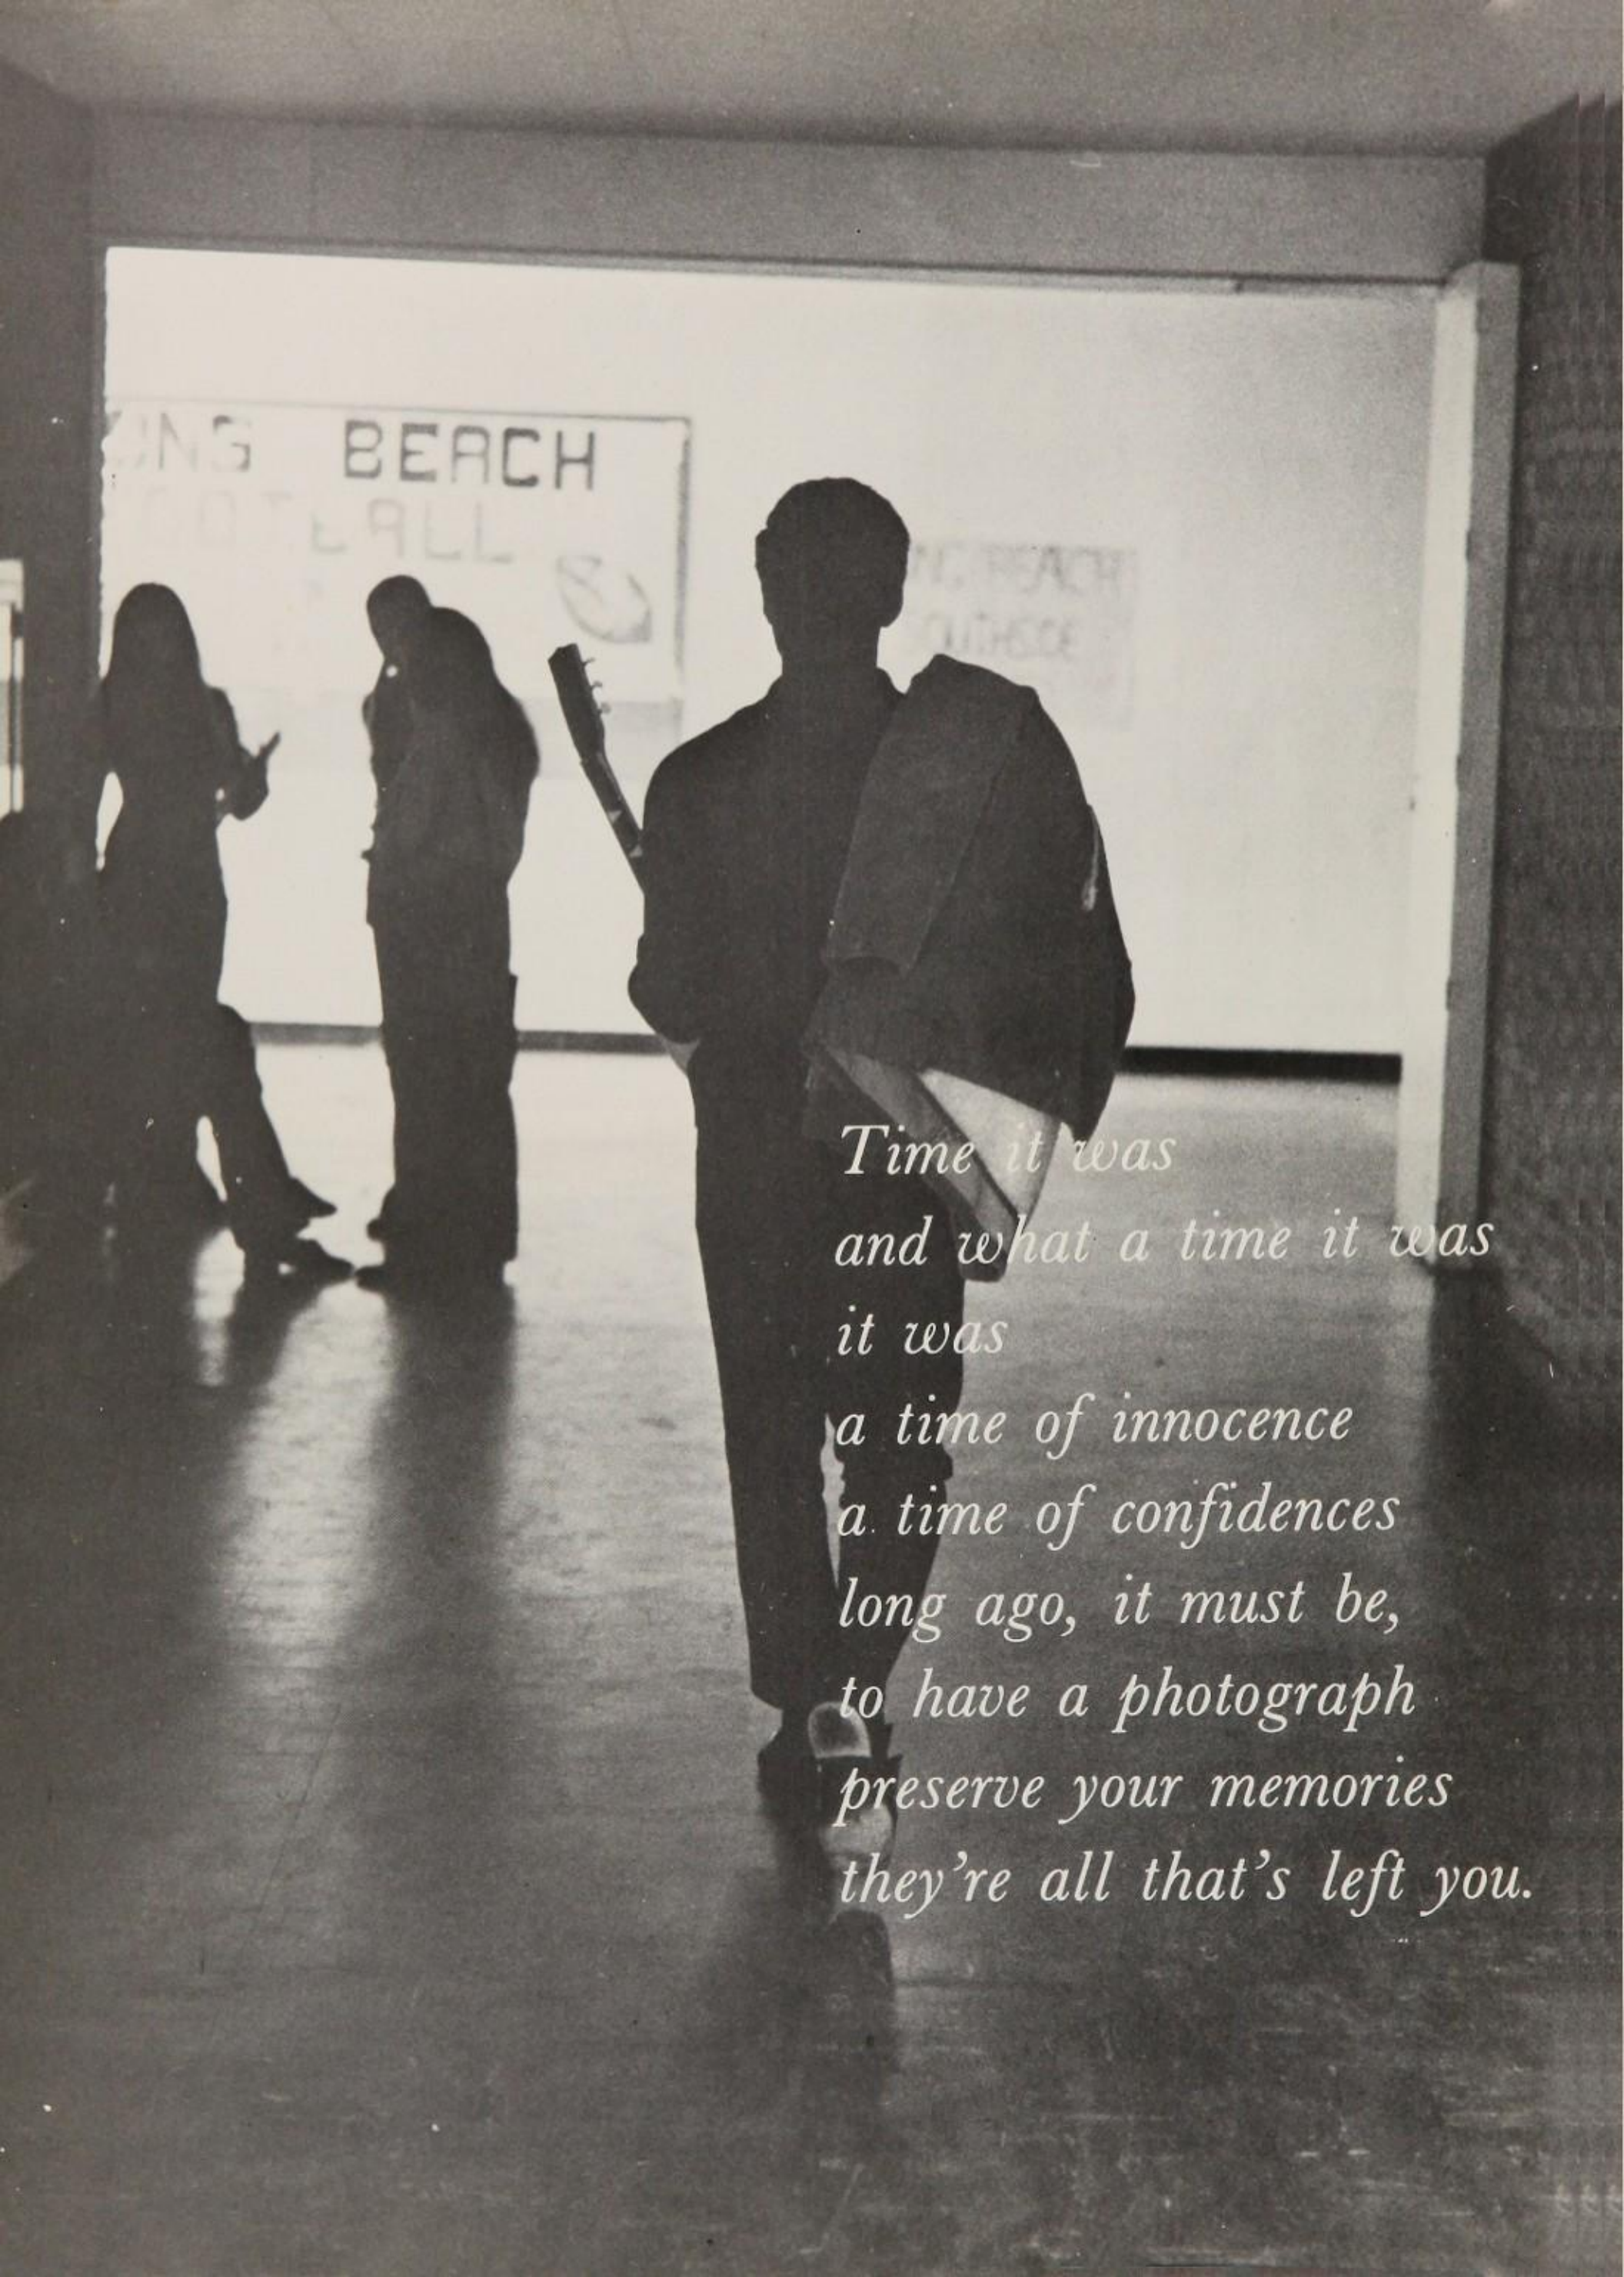
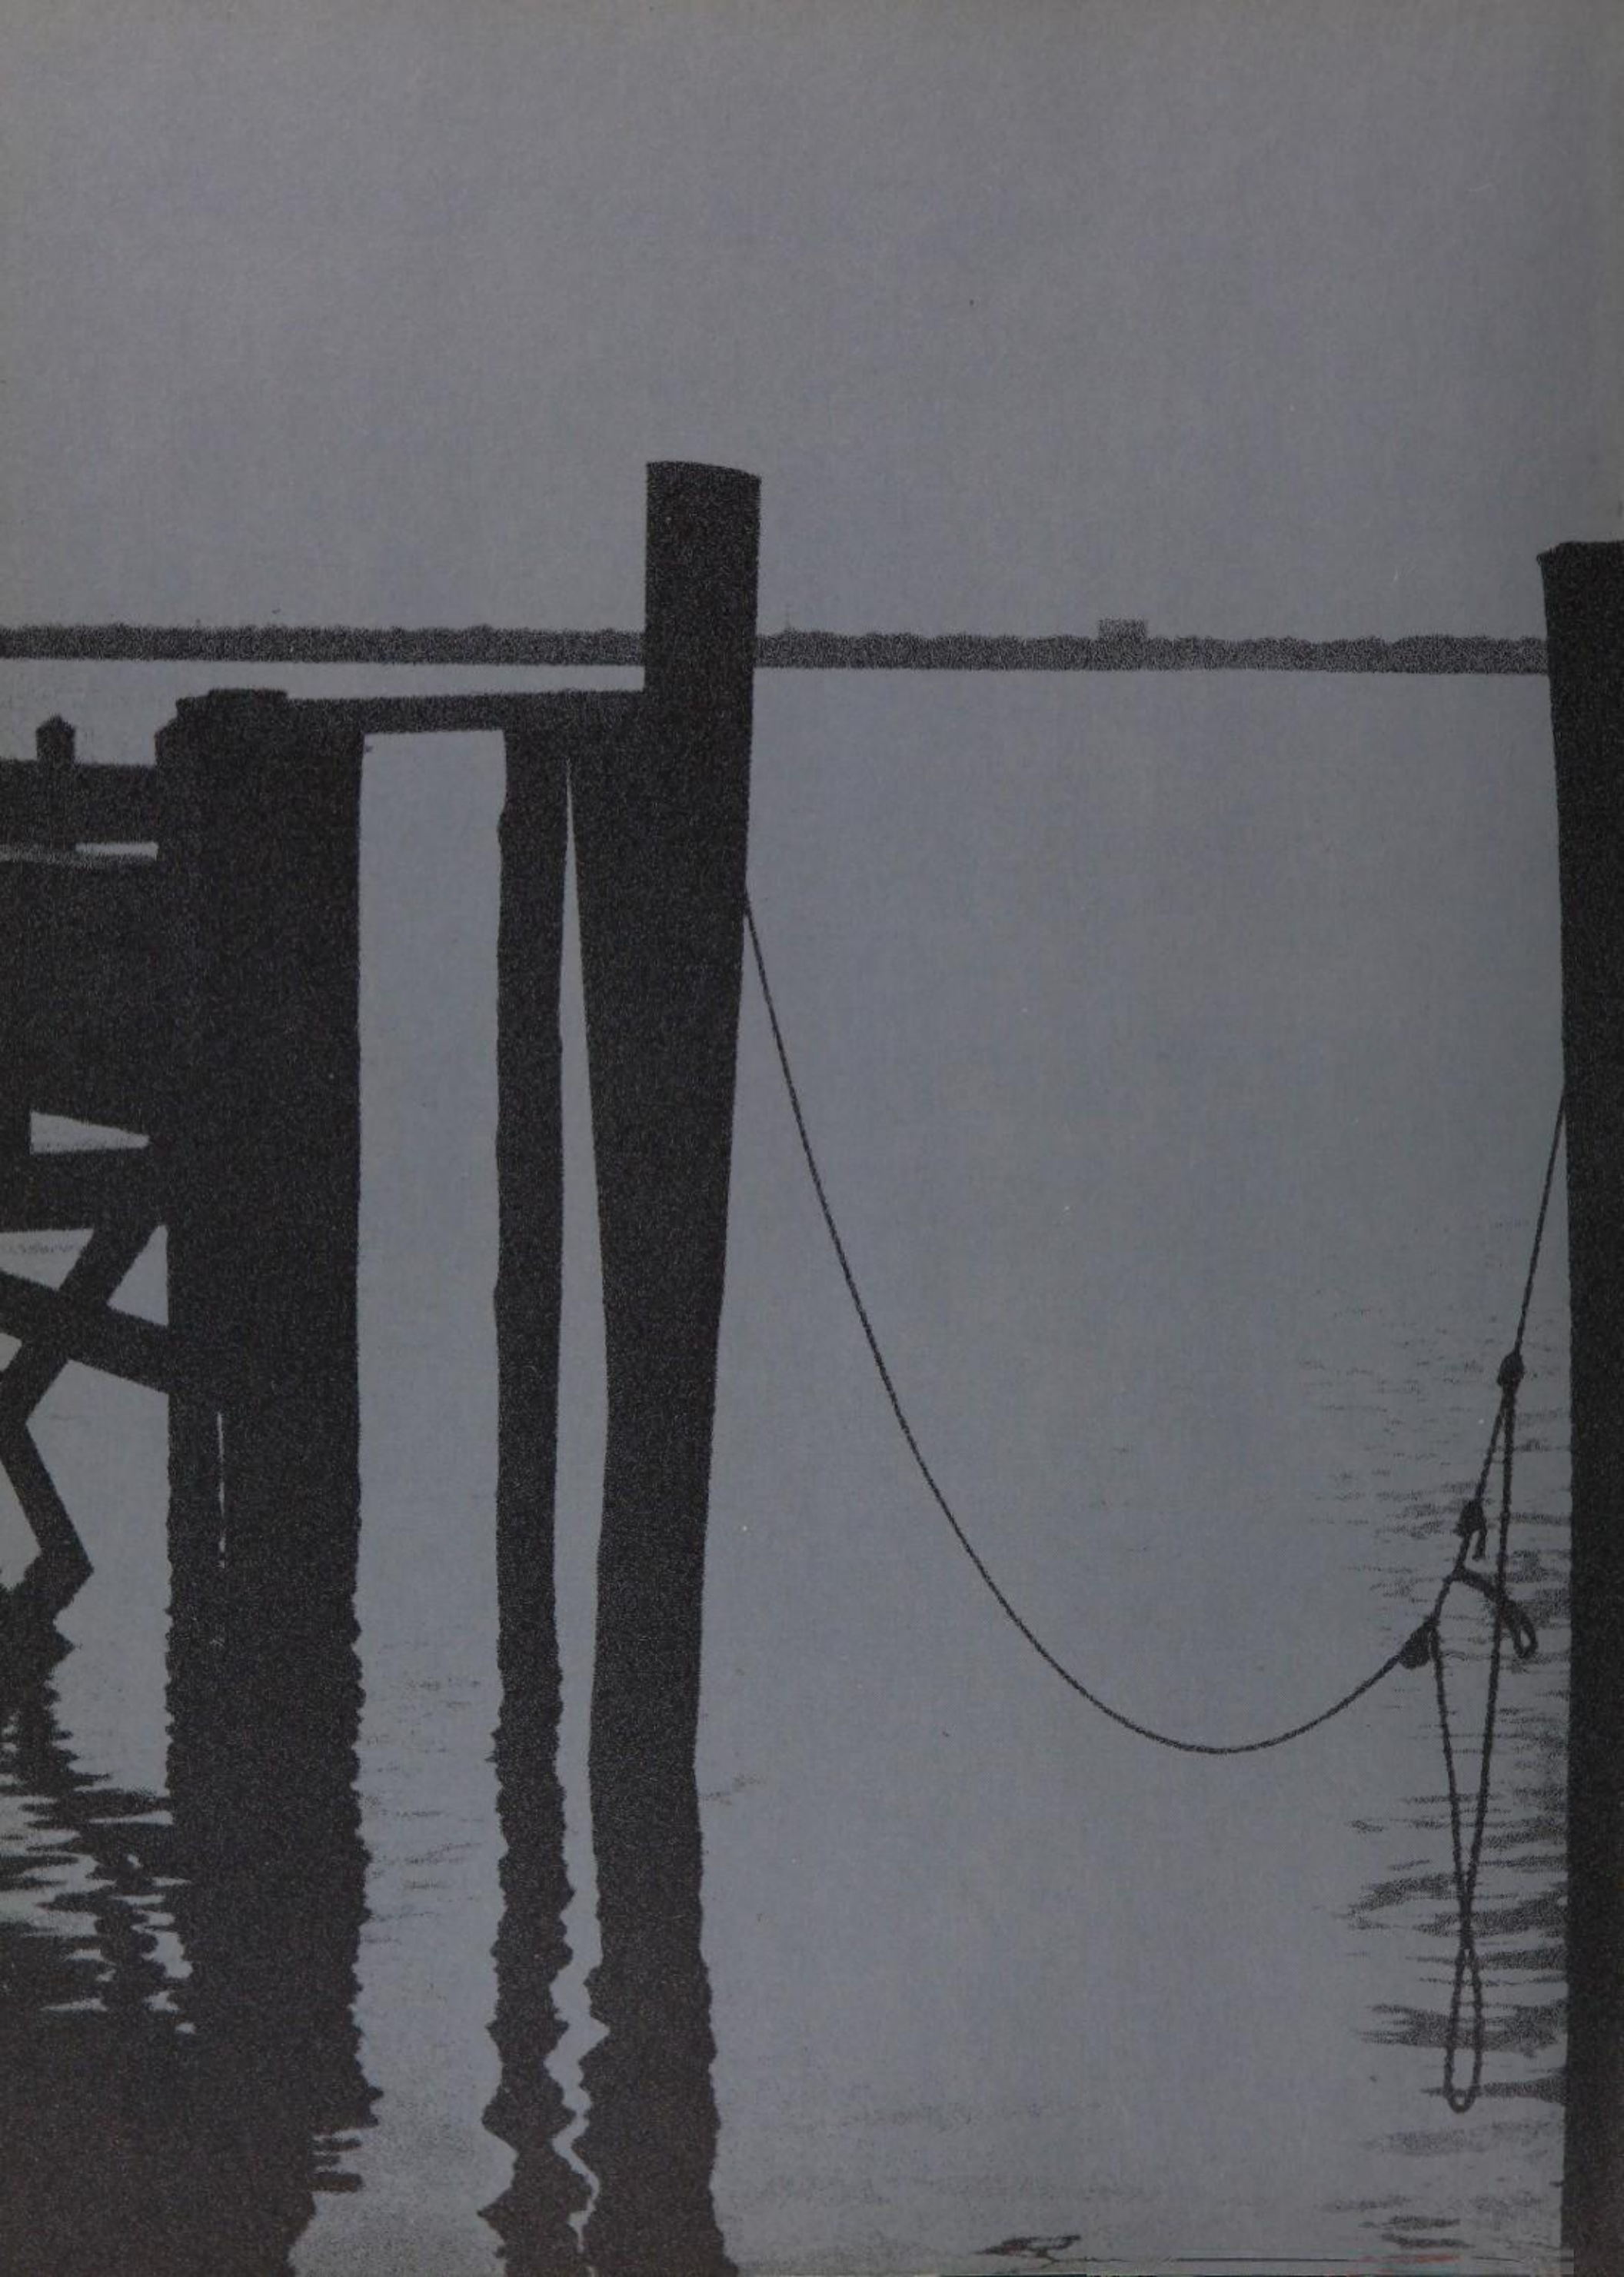
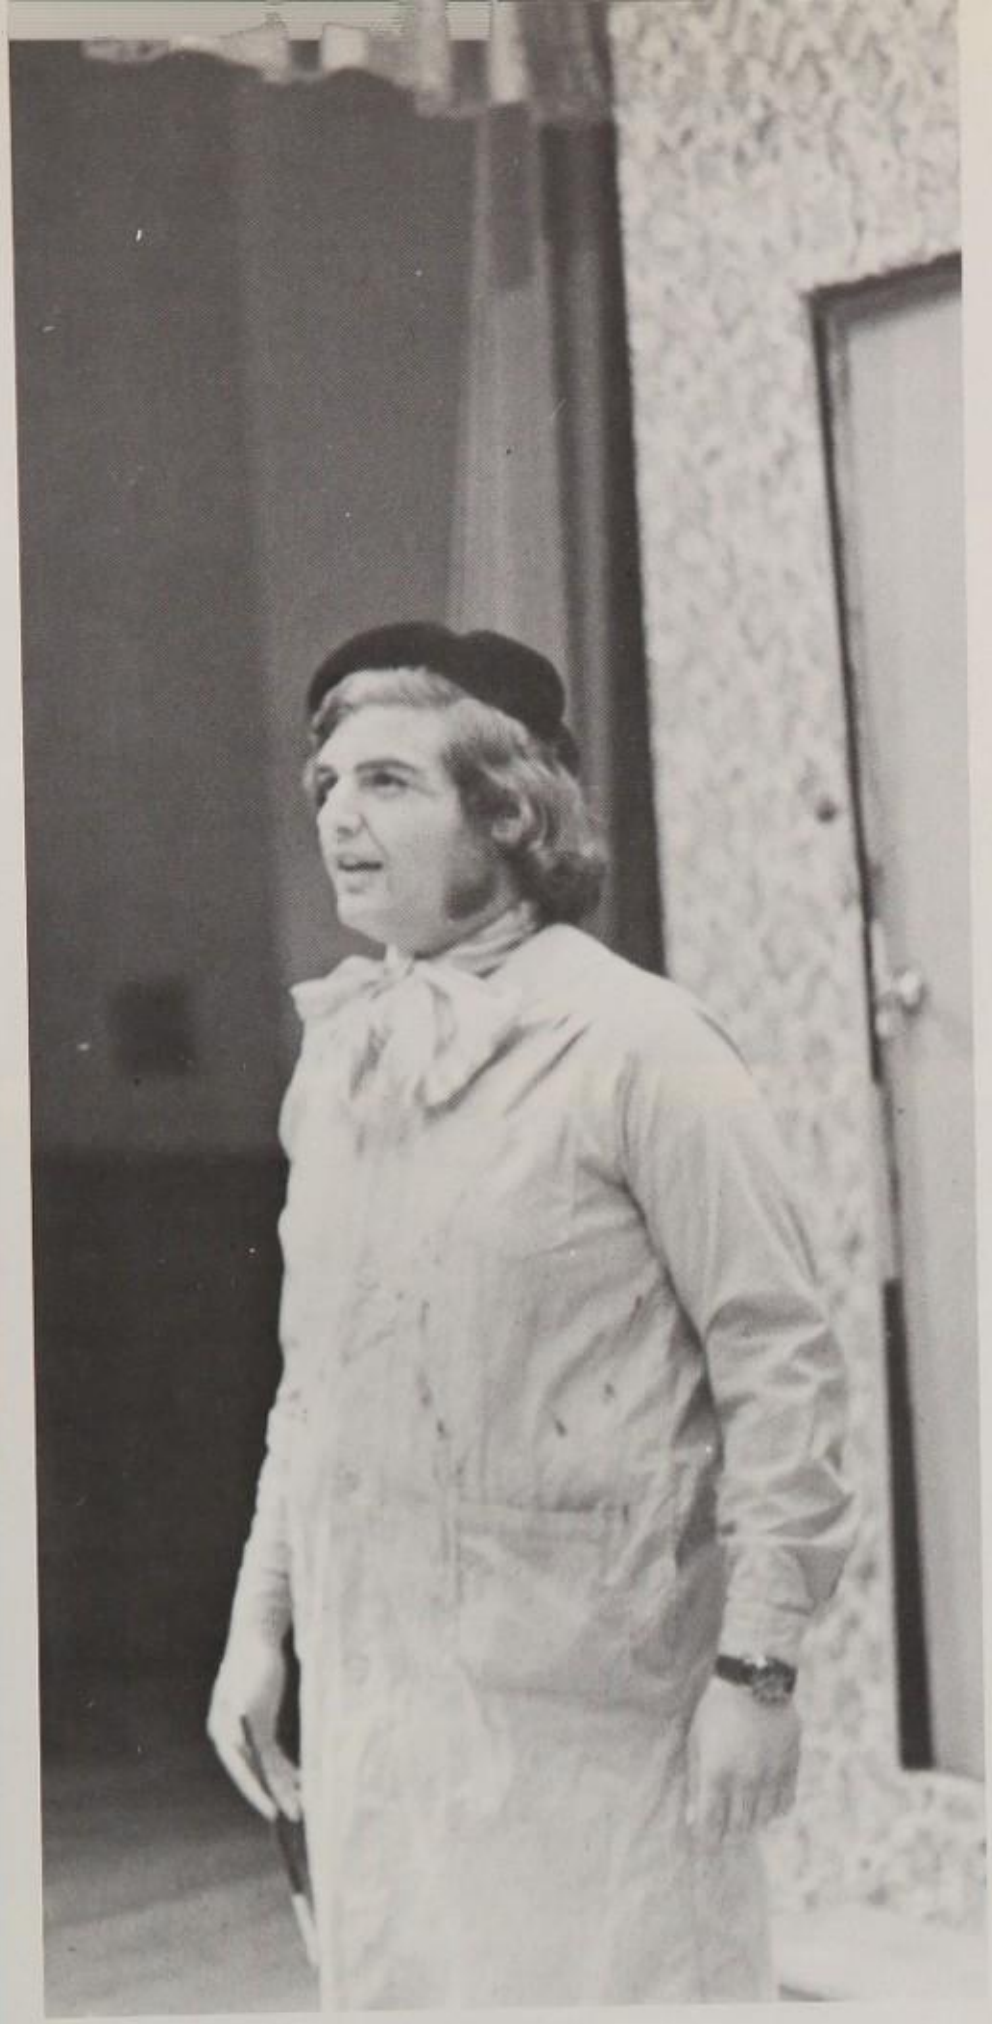
SPLENDOURS
OF
LENINGRAD

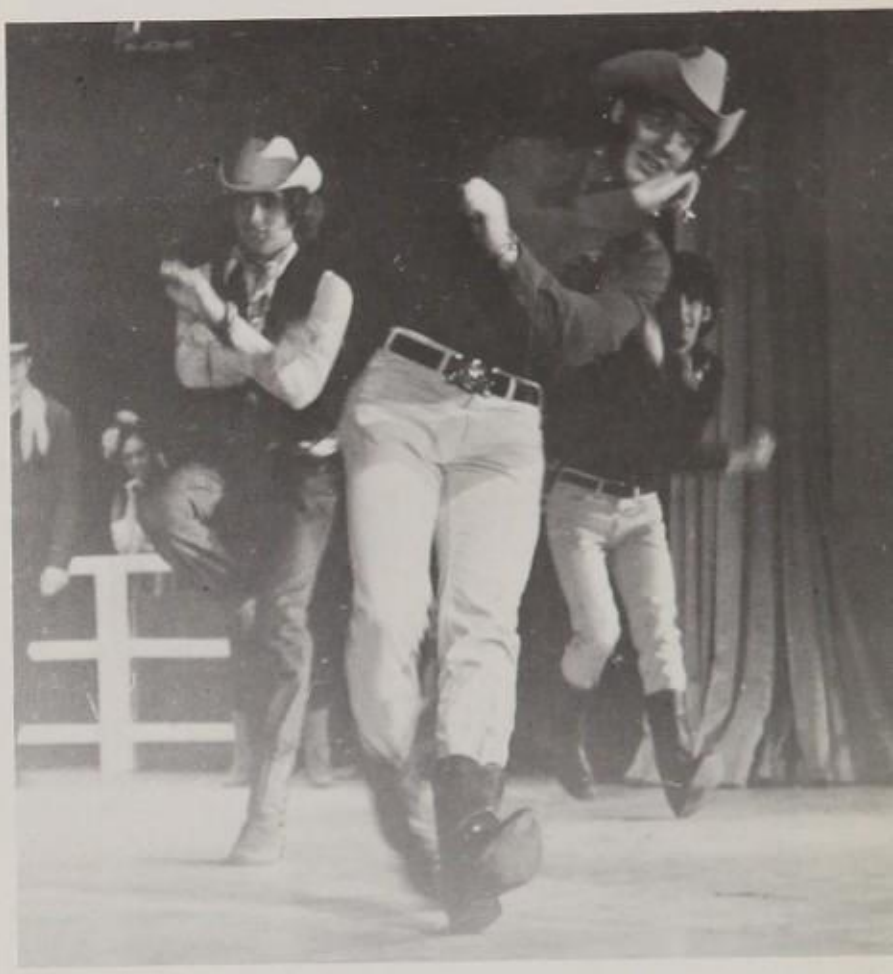


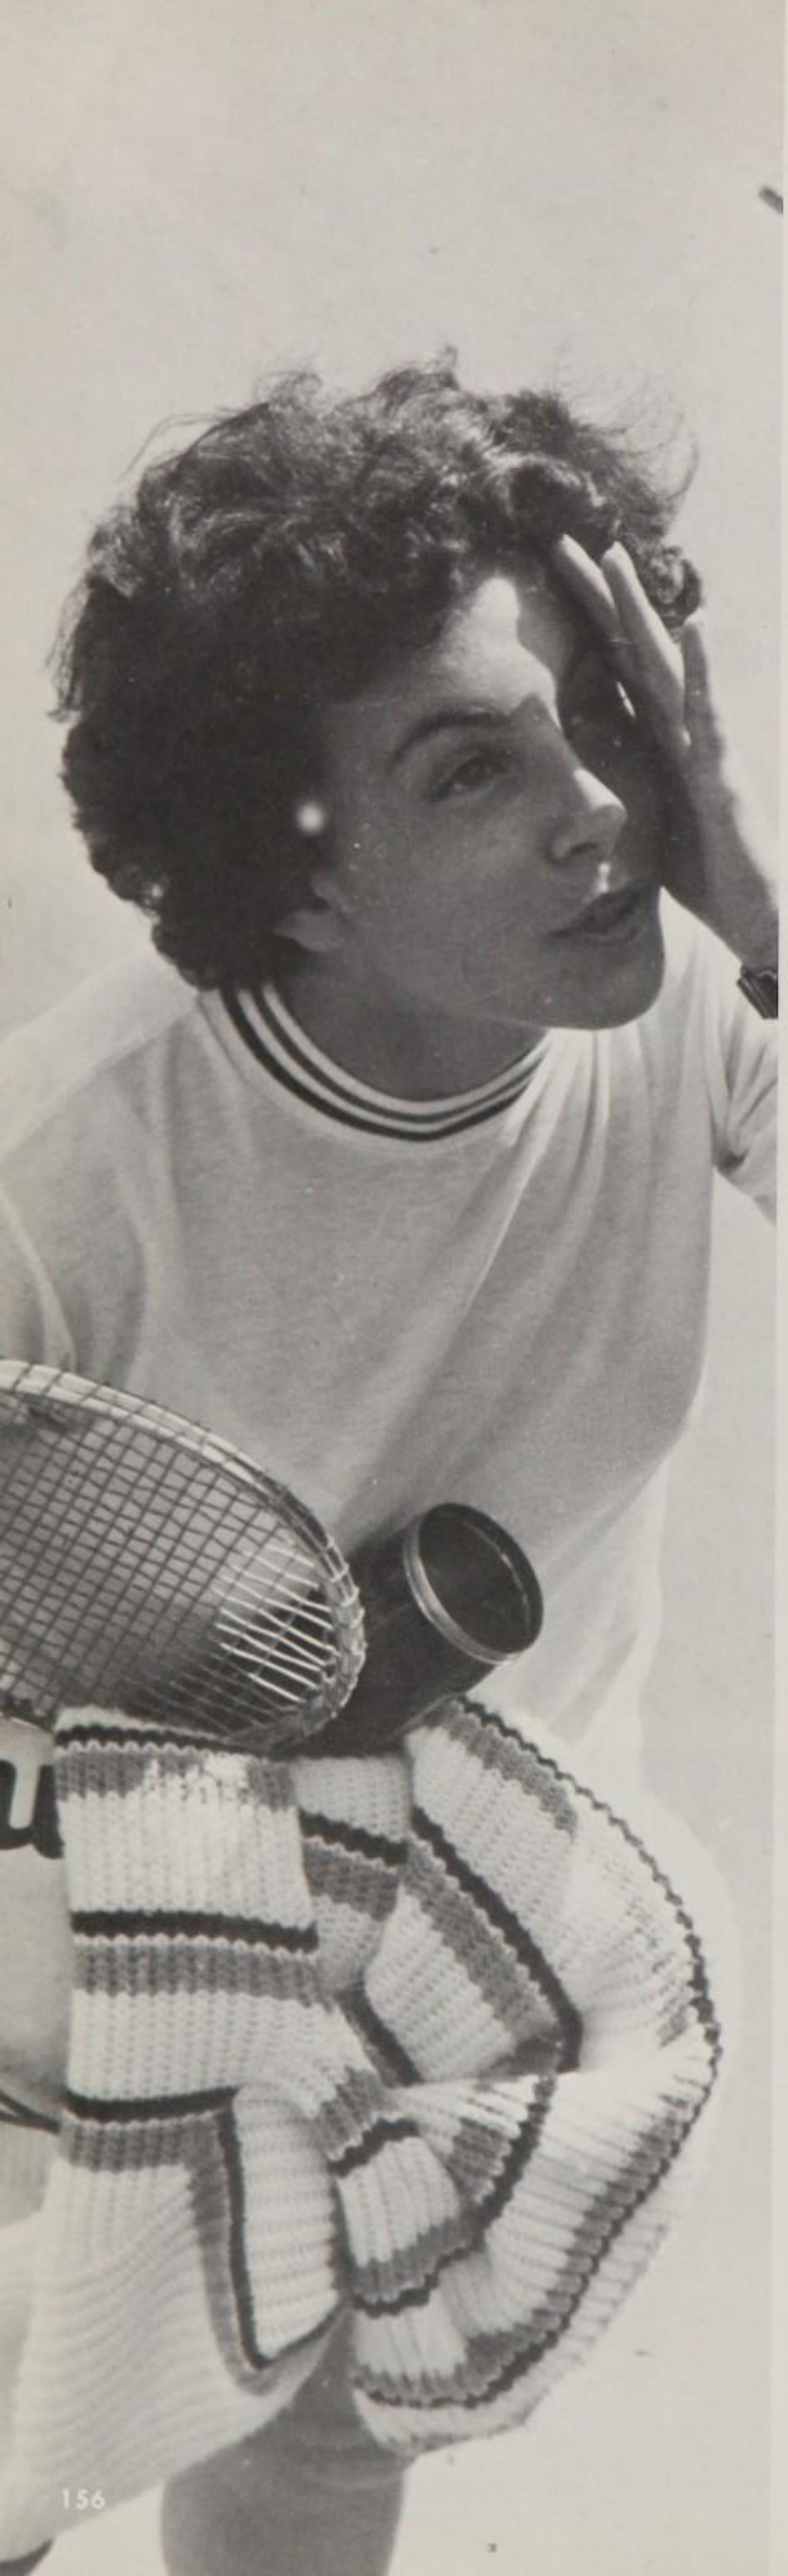
Time it was
and what a time it was
it was
a time of innocence
a time of confidences
long ago, it must be,
to have a photograph
preserve your memories
they're all that's left you.



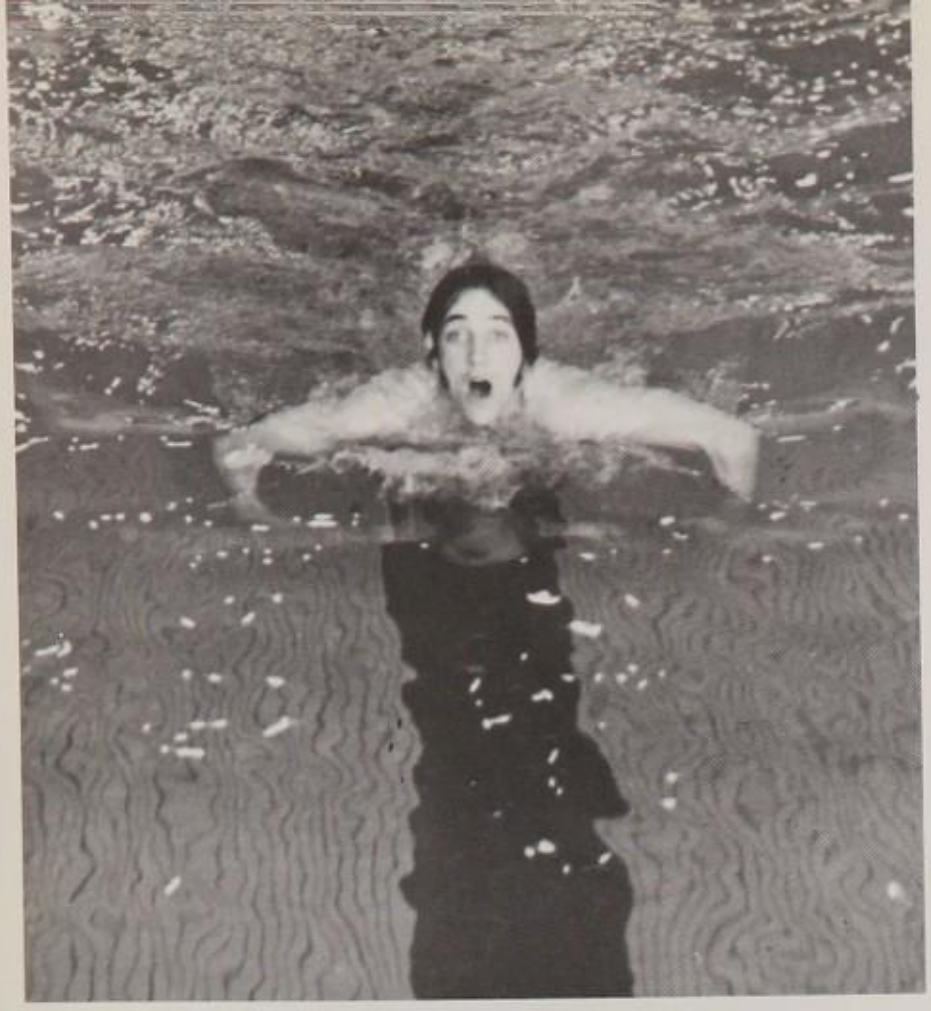
Now, I know that the sun's
gonna shine someday,
the wind's rising up
to blow all my blues
away

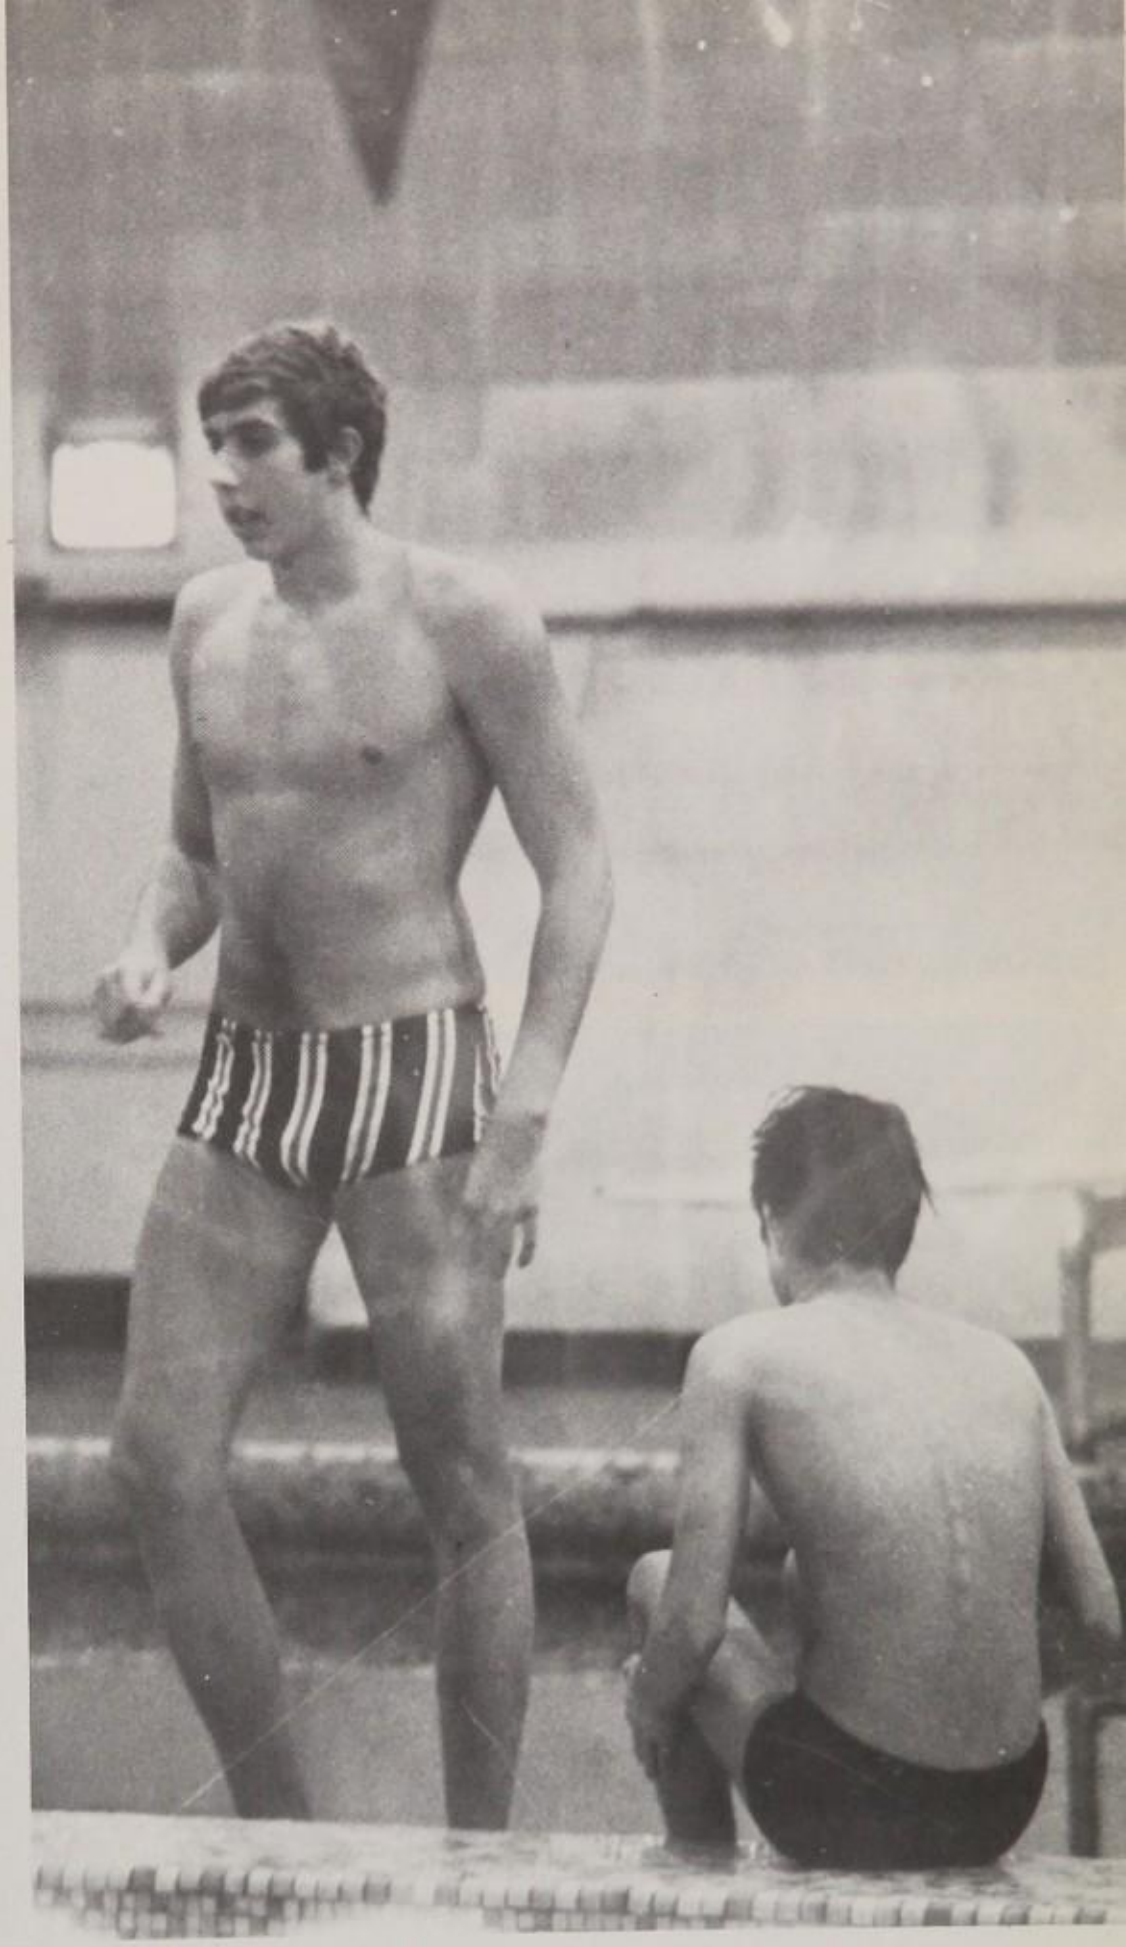




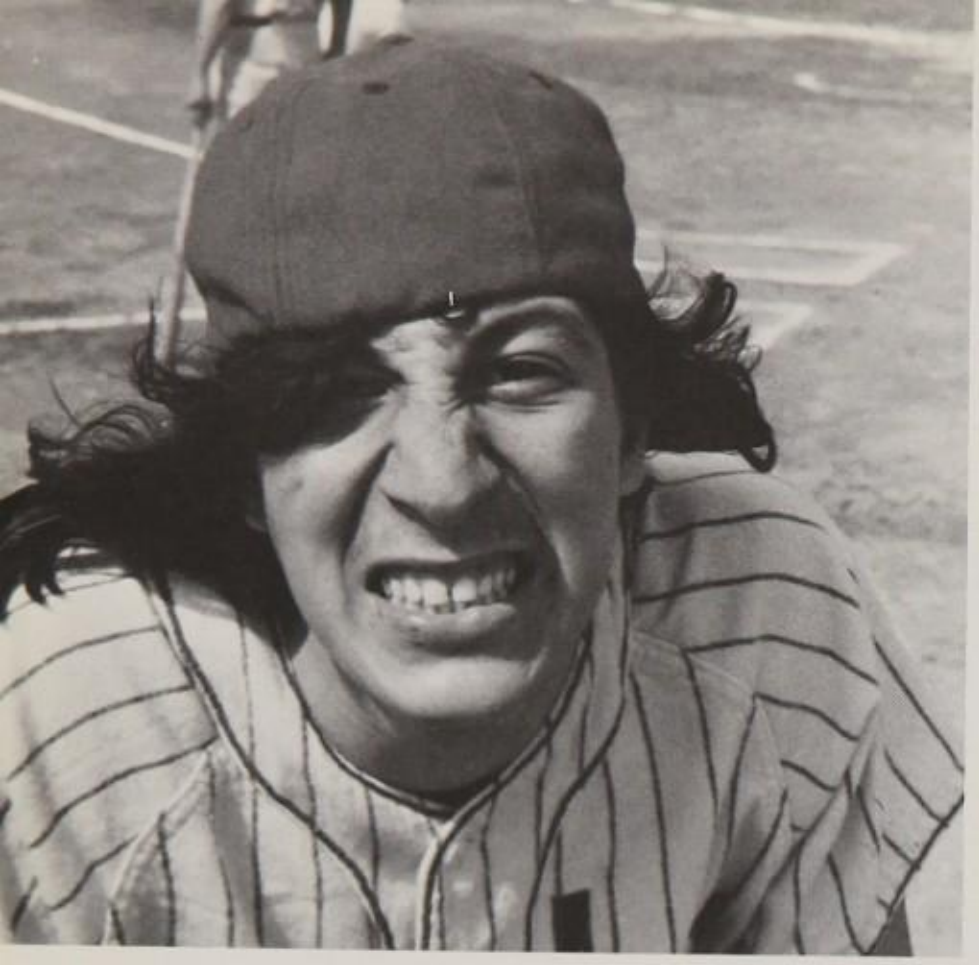


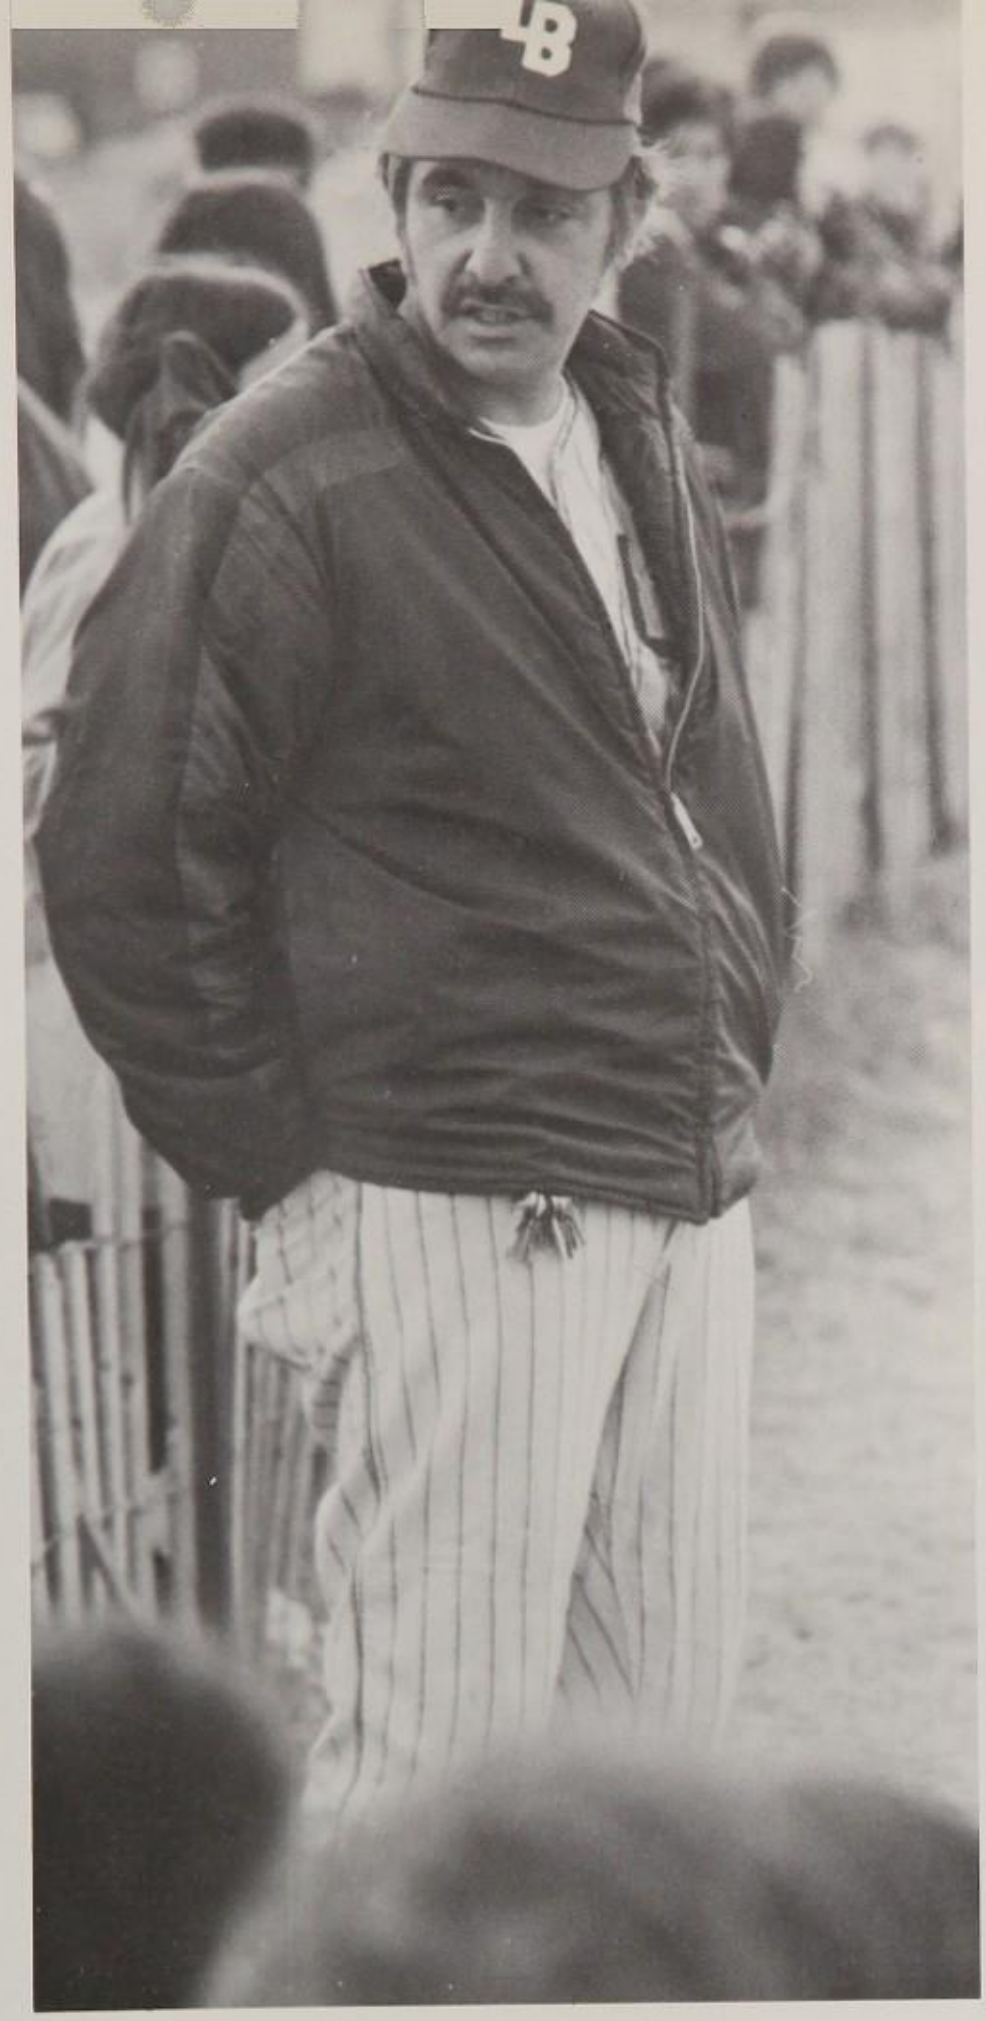
When I lay down last night
trying to take a rest.





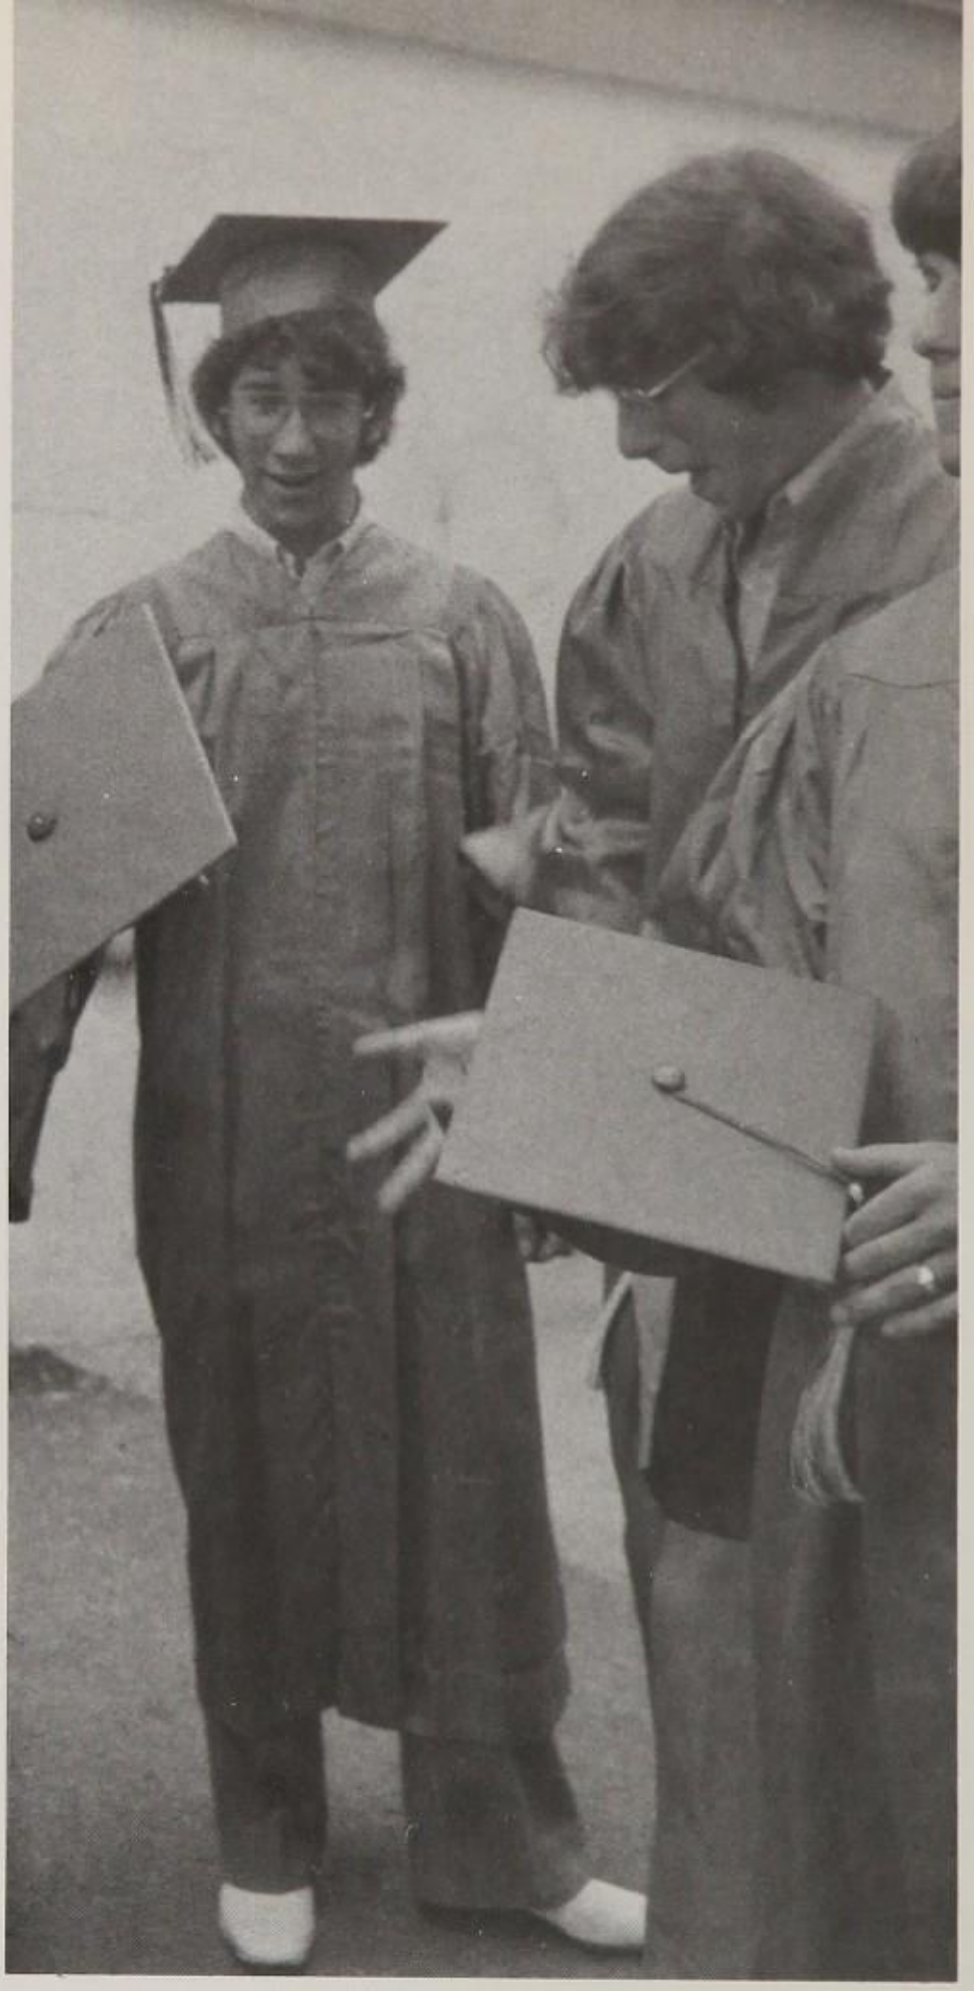
My thoughts,
they kept a wanderin'
like wild herds
in the west.

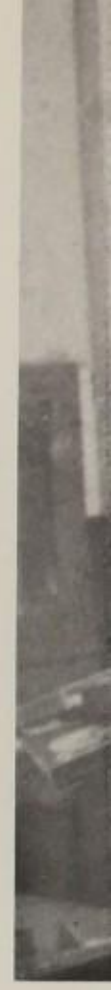


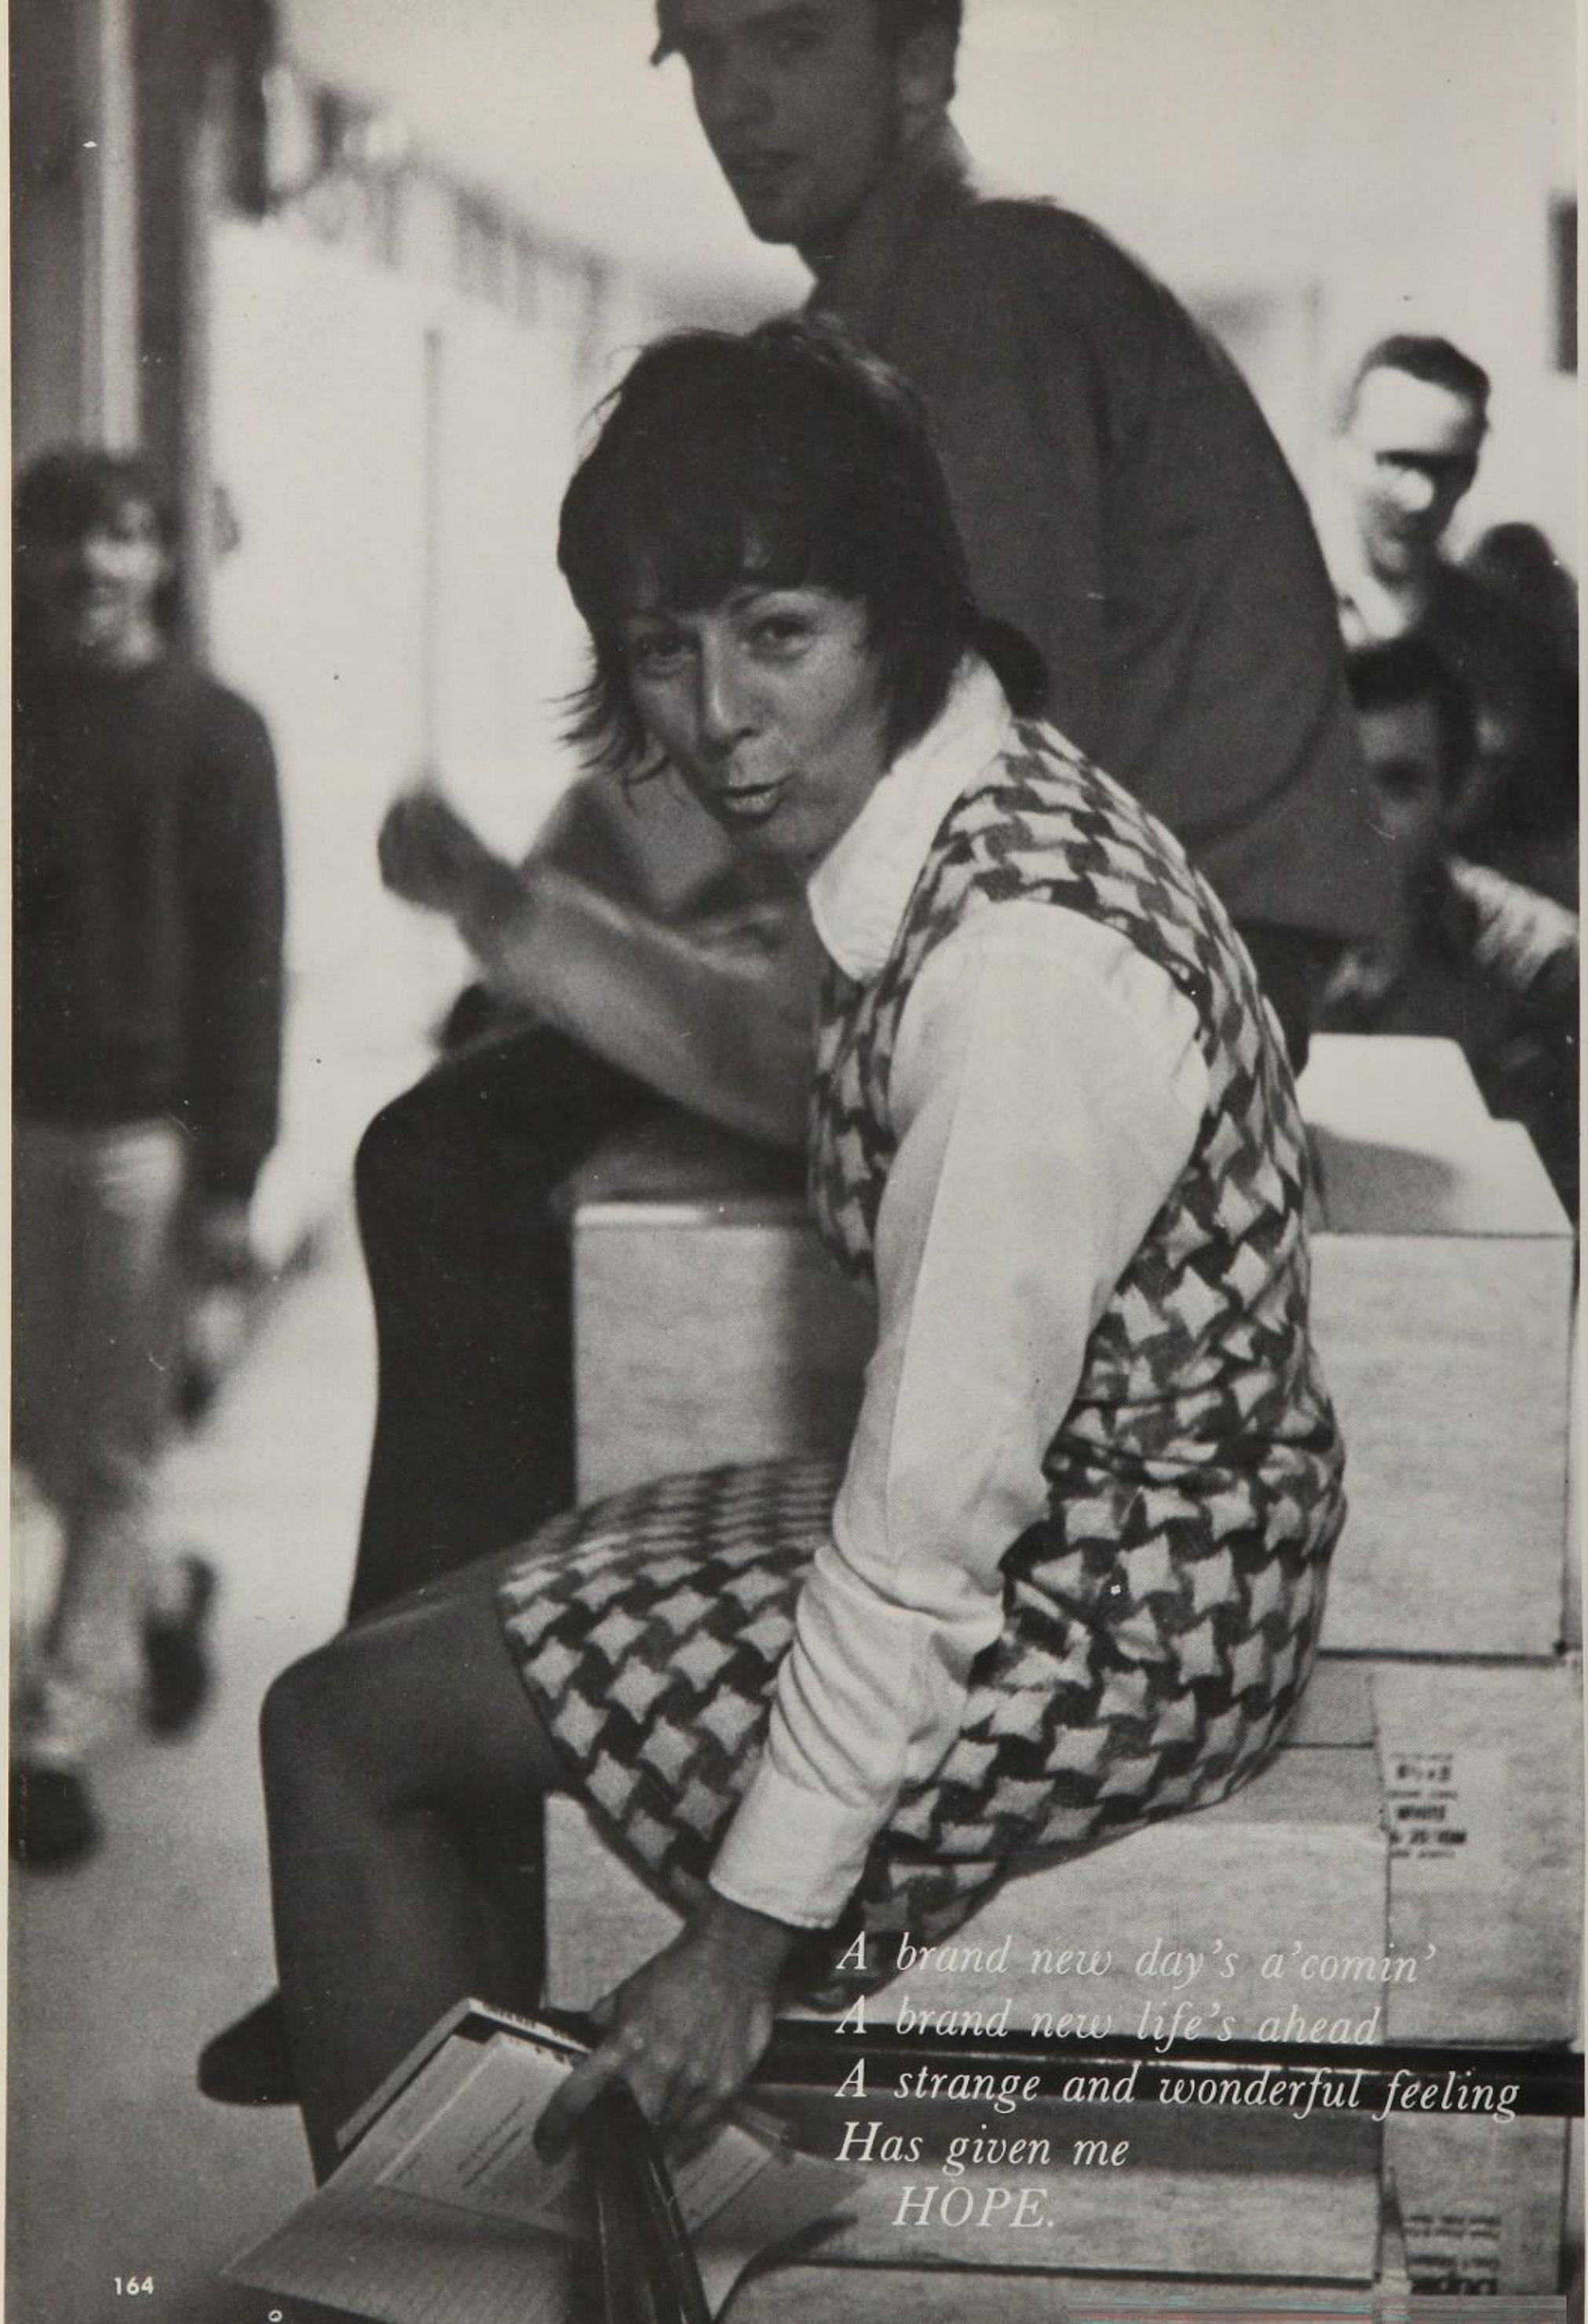


Perhaps the blues
are just bad dreams
Fantasies inside
my head,

So when it's lonely
in the morning
Why should I wish
to join the dead?







A brand new day's a'comin'
A brand new life's ahead
A strange and wonderful feeling
Has given me
HOPE.
